IN MEMORIAM

JOHN FITZGERALD KENNEDY — 1917-1963

Let the word go forth from this time and place, to friend and foe alike, that the torch has been passed to a new generation of Americans—born in this century, tempered by war, disciplined by a hard and bitter peace, proud of our ancient heritage—and unwilling to witness or permit the slow undoing of those human rights to which this nation has always been commited, and to which we are committed today at home and around the world.

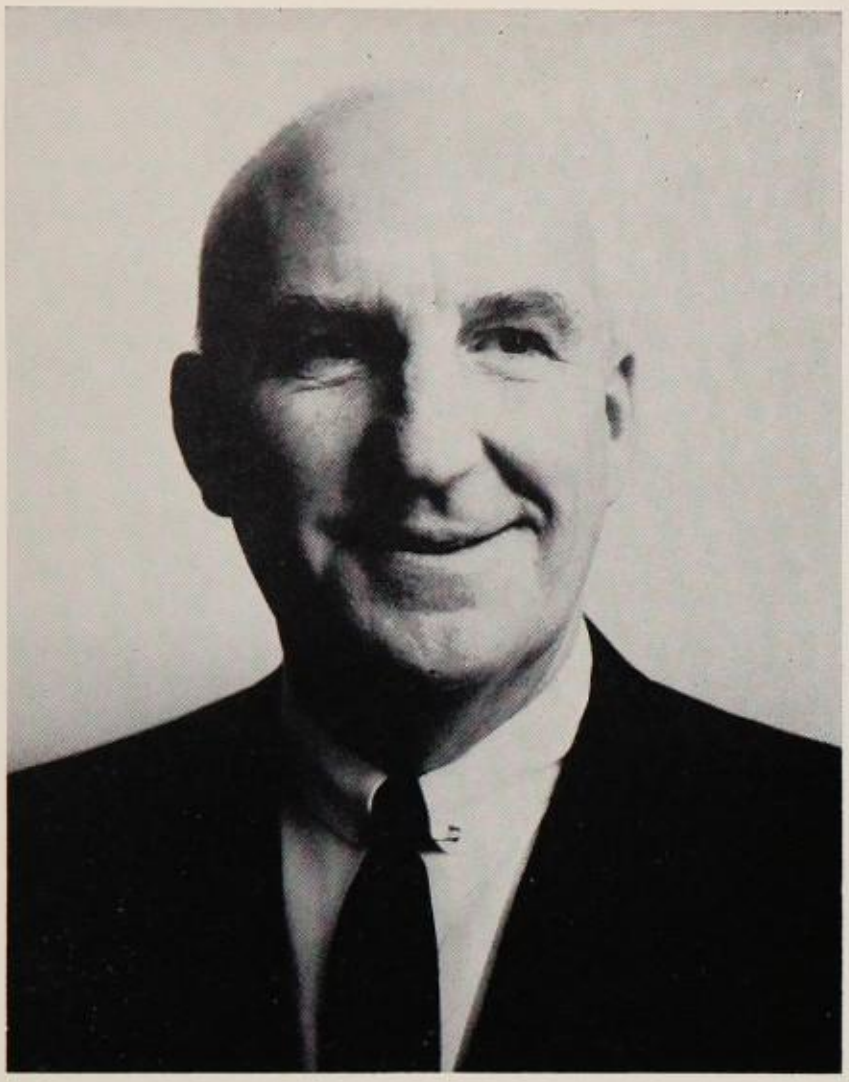
HAPPINESS

IS A HELPFUL

ADMINISTRATION



Poly students welcome our Superintendent of Schools, MR. BRUCE MILLER, to our campus many times each year. Although a man who has countless heavy responsibilities, he always manages to participate in some of our school events. His capabilities appear so limitless that he seems to manage his position with amazing ease. Mr. Miller handles all situations with tact and understanding, many times bringing into charming use his wonderful sense of humor. We are proud to call him our friend.

THEY MAPPED OUR WAY

The BOARD OF EDUCATION tries earnestly and competently to provide the best possible school system for Riverside. The members are: Mr. Bruce Miller, Superintendent of Schools; Mrs. Gladys T. Babcock, Clerk; Mr. B. Rae Sharp; Mr. Arthur L. Littleworth, President; Mr. Richard B. Hampson; and Mrs. Carolyn G. Diffenbaugh, Vice President.

The responsibilities that must be met by MR. GEORGE WRENTMORE, Principal, are difficult, many, and varied — but he handles them flawlessly. He also has an exceptionally deep concern for each student. He knows a great many members of our student body by name, is deeply interested in every one, and is always sincerely friendly. These kindly qualities have created a very warm relationship between students and administrator. His individual recognition to students who have achieved outstandingly accents even more this wholesome relationship. It is no wonder that our principal has the deep respect and admiration of students and teachers alike.

MR. LUTHER DAVISSON, Vice Principal, is a well-known figure to all students. An active member of the administration, he deals with many types of situations everyday. His long experience in administration helps him handle these in the most efficient way. His sense of humor smoothes over many unpleasant situations.

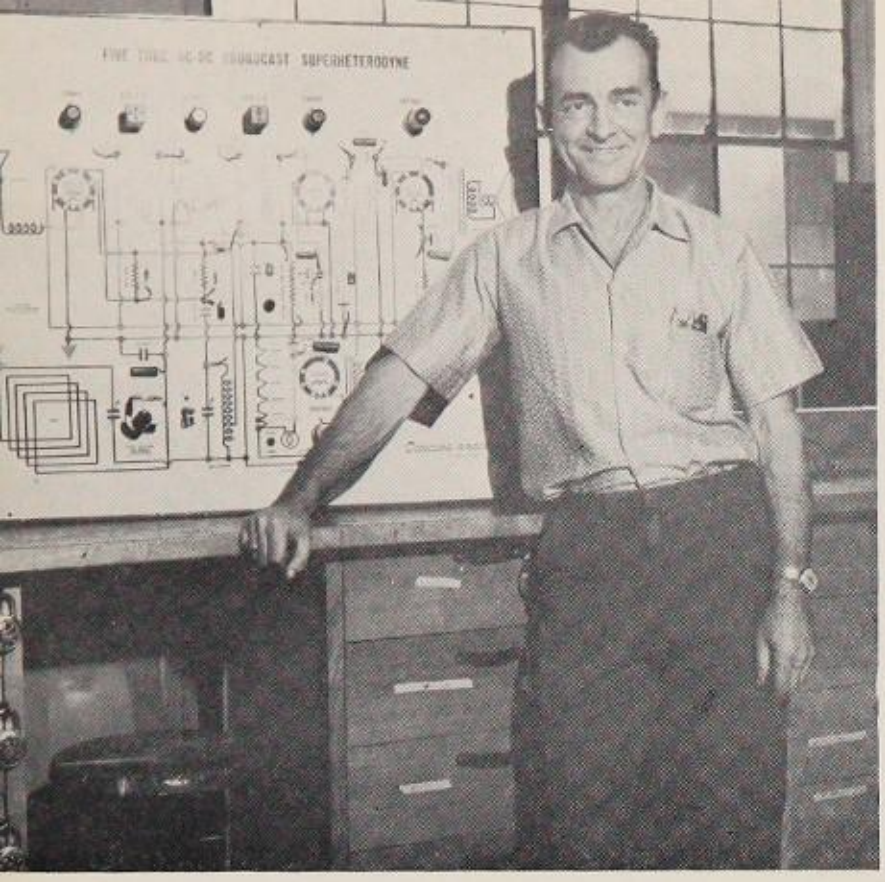
THEY WORKED FOR US AND WITH US

These are the secretaries who willingly assisted students and faculty members this year in the offices: Miss Susan Myers, Attendance Office; Mrs. Judy Moore, Records; Mrs. Margaret Horton, Principal's Office; Mrs. Ruth Spries, Health Office; Mrs. Alice Dryden, Main Office; Mrs. Ruth Smith, Switchboard; Mrs. Verda O'Keefe, Bookkeeper; Mrs. Margaret Paulin, Guidance Office.

MR. B. F. THORSON has a heavy load to carry as Dean of Boys and Attendance Supervisor. His schedule is filled by ordering textbooks, supervising the use of student body funds, and directing athletic events, such as the interclass track meet. Commonly known as "Doc," he is a friend to all Poly students.

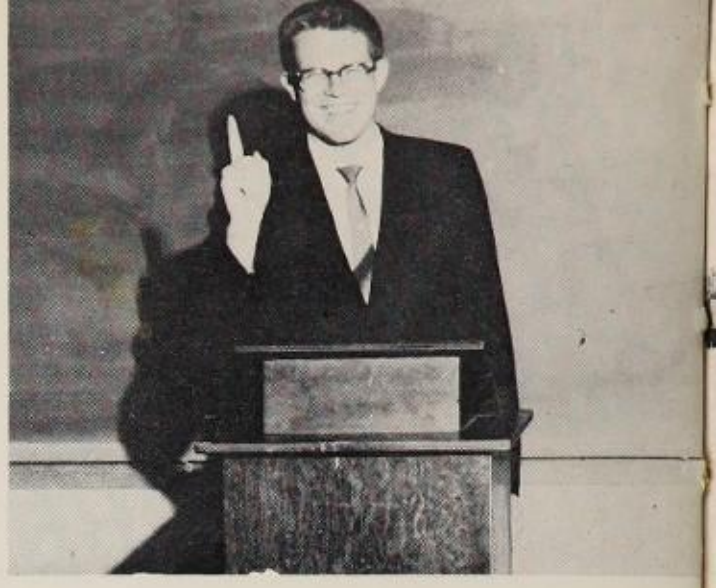
Understanding, sound advice, guidance, and sincere interest are only a few of the qualities that describe MISS JEAN THAYER, Dean of Girls. Being advisor to Girls' League, she has become very close to many girls here at Poly. Miss Thayer is never too busy to offer sympathy and understanding to any student needing help with problems. Many students leave Poly with wonderful memories of our Dean of Girls.

MR. ARTHUR SMITH is the head counselor at Poly. He assists students in planning for college and sends their high school transcripts to the college of their choice. He is also in charge of the testing program at Poly and helps students interpret test scores. A friendly and willing member of the faculty, Mr. Smith is a familiar person to most students.



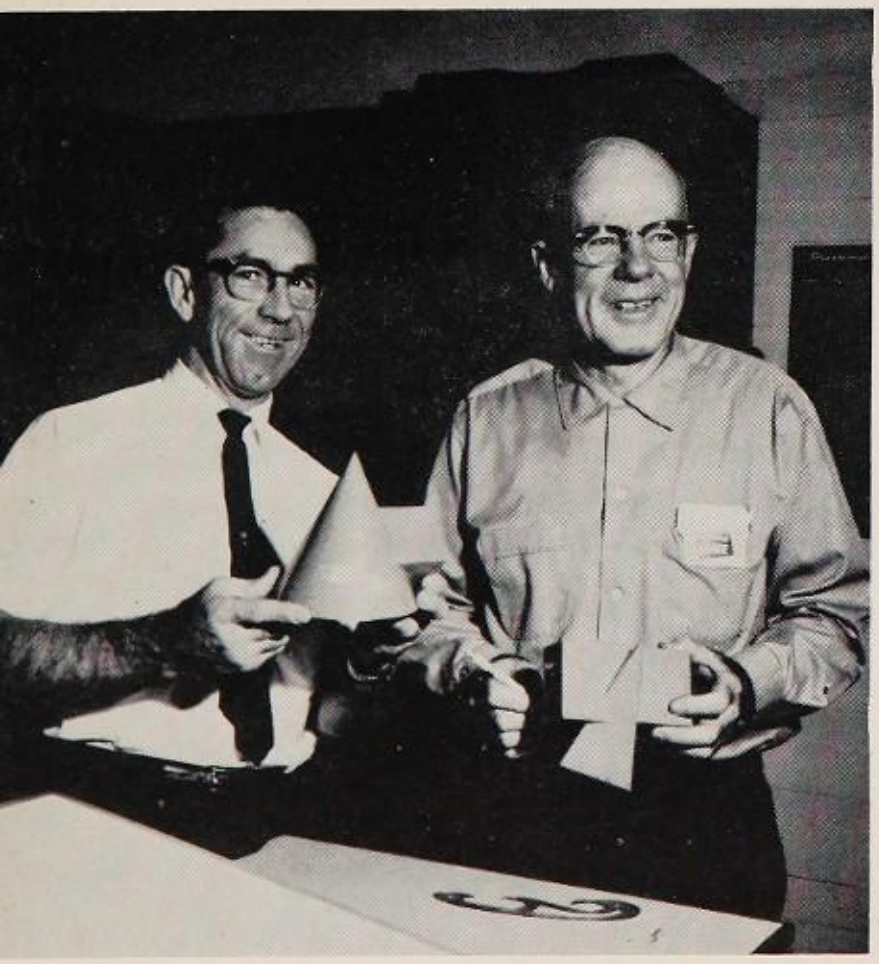
MR. ROBERT DICKSON is showing a display to his electronics class. He looks as if he is enjoying it, doesn't he?

"Ah, ha! I got it!" says MR. JAMES ST. CLAIR, speech teacher. "We'll have a period of silence today for a change."



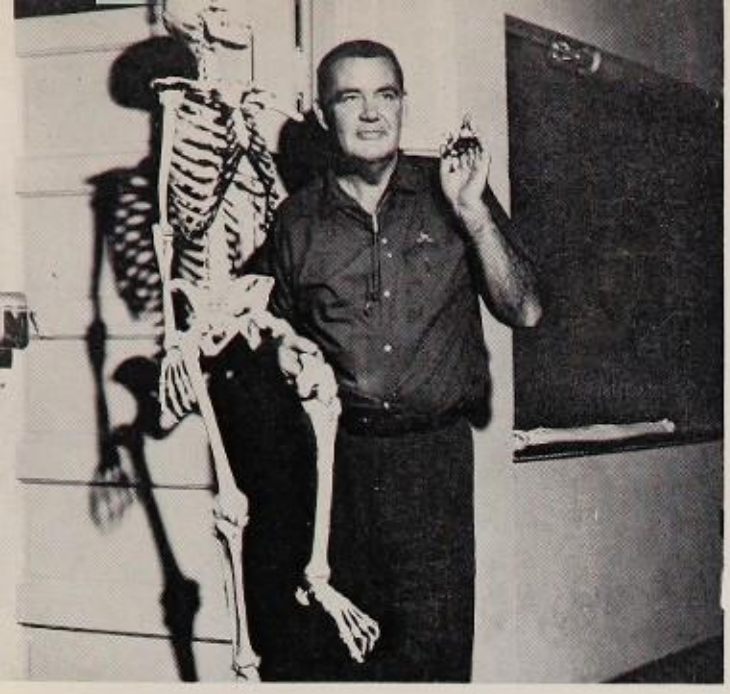
Girls, do you sometimes wonder what those classes are that the boys take? They could be the Electronic, Drafting, or Agriculture classes. There the boys learn about electricity, mechanical drawing, and how to grow the best crops and raise the best animals. These are excellent for boys who have chosen these fields as careers, and will prove helpful in everyday life for others.

MR. EDWIN ROBERTS looks as if he is ready to start another day, directing the band and orchestra. Beware, he's loaded with new ideas!



MR. TED FAHRNBRUCK and MR. PAUL RUPEL are going to comment on some of their students' work. Be ready for some strange ideas. They both teach drafting.

MR. HAROLD SEIGWORTH is helping his classes plant their agricultural products. He instructs his students in the best and latest farming methods.



MR. DONALD BRUMMEL would like you to meet Mr. Skeleton. By the way, Mister Skeleton is used only for demonstrations!

Most students take a science some time in high school. You may make sulfur dioxide, dissect a frog, study a cat from head to toe, or even study the Kinetic theory of matter. These are some of the phases of Chemistry, Biology, Physiology, and Physics. Lectures, labs and demonstrations add variety to the sciences.

MR. GEORGE LONDOS, physiology teacher, examines one of his cats very closely. He's not going to do what it looks like, is he???? Mr. Londos, that formaldehyde could lead to indigestion . . . or something!!!!

MRS. EMMA BLAKESLEY is explaining the structure of flowers to her biology class. "Are you sure you understand?" she asks. "I wouldn't want to confuse you."

Another chemistry teacher is MR. JAMES GRANT. He is busy preparing weights for his next class. The scales aren't the kind used for weighing people!

Ready to tell another one of his famous jokes is MR. ROY RINGWALD. He keeps his chemistry classes awake with his lively comments.

Ready for another busy day is MR. RAPHAEL HAWLEY, physics teacher. Experiments make physics interesting, and he's got a bag full of them up his sleeve!

"Ready class?" asks MR. JOSEPH CUFFARO. He is, even if his science class isn't. He is also a P. E. coach.

MR. JACK SMITH is laughing over one of his well-known jokes. MR. WILLIAM JAMES doesn't seem to get it! Both are history teachers.

MR. GLENN McCOWAN, MR. ARTHUR COOK, and MR. WALTER DAVIDSON have found an interesting caption in a history book. "Wait until our classes hear about this!"

"Now tell me about these problems you've been having," says MR. LEROY WATTERS to MR. W. KELLY ADAMS, psychology teachers. They are not serious, of course, but they enjoy trying their psychology on each other.

Government teachers, MR. EARLE GREEN and MR. RUSSELL HADWIGER discuss current events before class. "Did you know that the legislature passed a bill concerning . . . ?"

SCHOLARS ALL

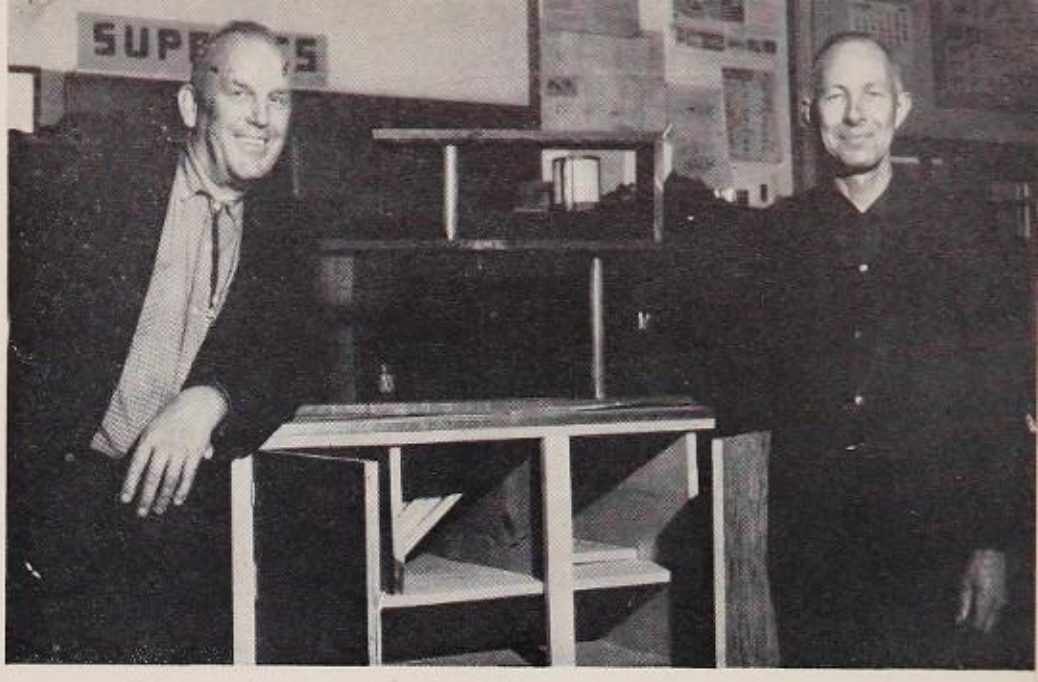
Are you afraid of the dark? Is your mother also afraid of the dark? You can learn the connection between these in psychology. Do you know what your id, ego, and superego are? You can find out in psychology. This class will help you realize why you act the way you do, and will enable you to better understand yourself and others.

In the way of social studies, sophomores have a semester of world cultures, juniors a year of American history, and seniors a semester of American government. They are the required social studies, and seniors may elect to take world history.

Do you remember how to factor or how to determine congruent traingles? These bring back memories of algebra and geometry. Remember the nights you memorized theorems and postulates? Students who are interested in such things can go on to Math III, Math IV, and maybe even calculus.

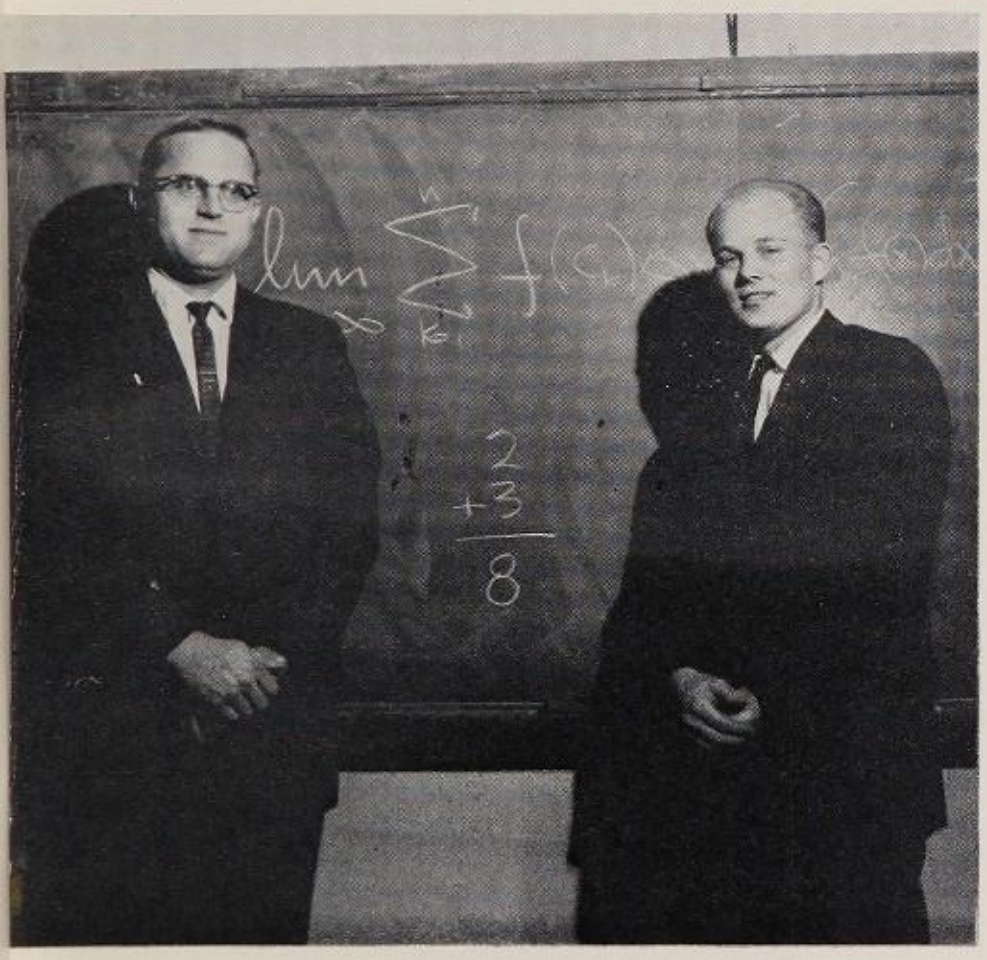
MRS. LORAINE THOMAS, MR. EUGENE MILLER, and MRS. MARIE MACKENZIE appear to have made a surprising discovery. Maybe they've found the secret of making students do their homework. Look out, world culture classes!

MR. IRVING HICKS, MR. CHARLES WEBBER, and MR. GEORGE BRONSTRUP are full of new ideas for their shop classes. Look out, boys!



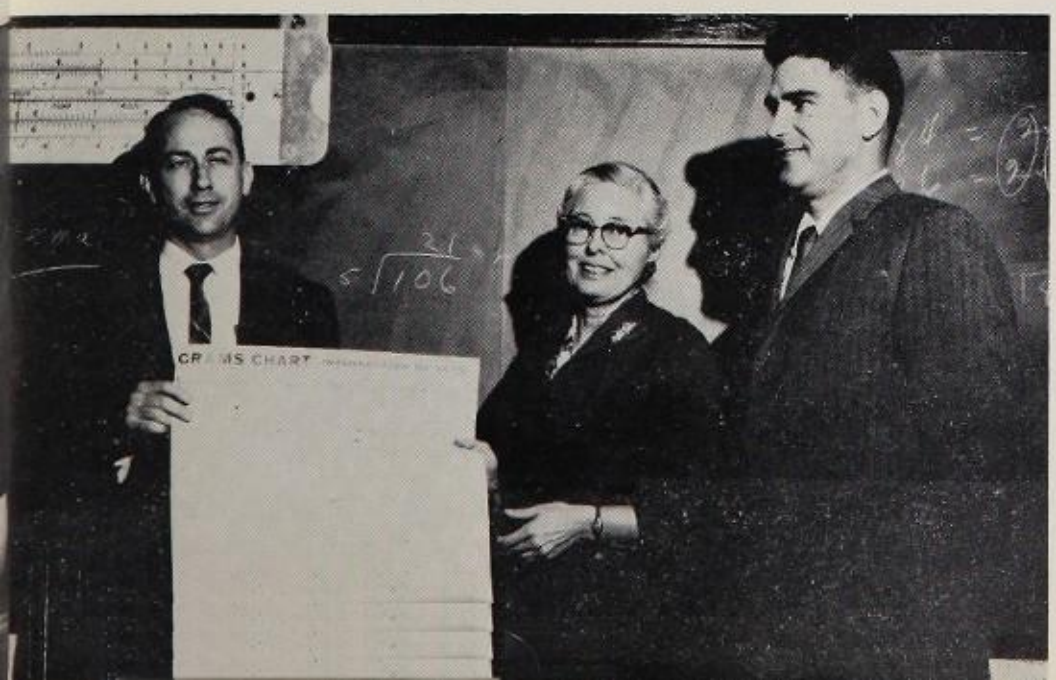
Grinning big are MR. GEORGE MOSHER and MR. ZOLA DuBOIS, shop teachers. What can they be smiling about when they have all male students?

MR. HARRY MONSON and MR. DONALD ROWE demonstrate two extremes on the blackboard. "Since 2 + 3 = 8, are you sure you know what the top one means?" questions Mr. Rowe.



MR. JOHN POPE and MR. WILLIAM COLLOPY grin after giving their classes a surprise math quiz. "We really caught them off guard, didn't we?" they comment gleefully.

MR. DAVID BIGBEE, MR. MEAD CAMP, and MISS CAROLYN THORSEN are going to start having more class discussions, using charts like the one below. They are hoping this will help more students enjoy math class.



"A triangle is . . ." reads MR. DANIEL PETERSON. "Oh, really? I didn't know that," kids MRS. SARAH VARNELL. Both teachers instruct math classes, of course.

THERE WERE THE CLASSICS

MISS DIANE FERGUSON, MR. HOWARD HOUGH, and MRS. ERMA HALEY, English teachers, are merrily looking over the assignments for their pupils.

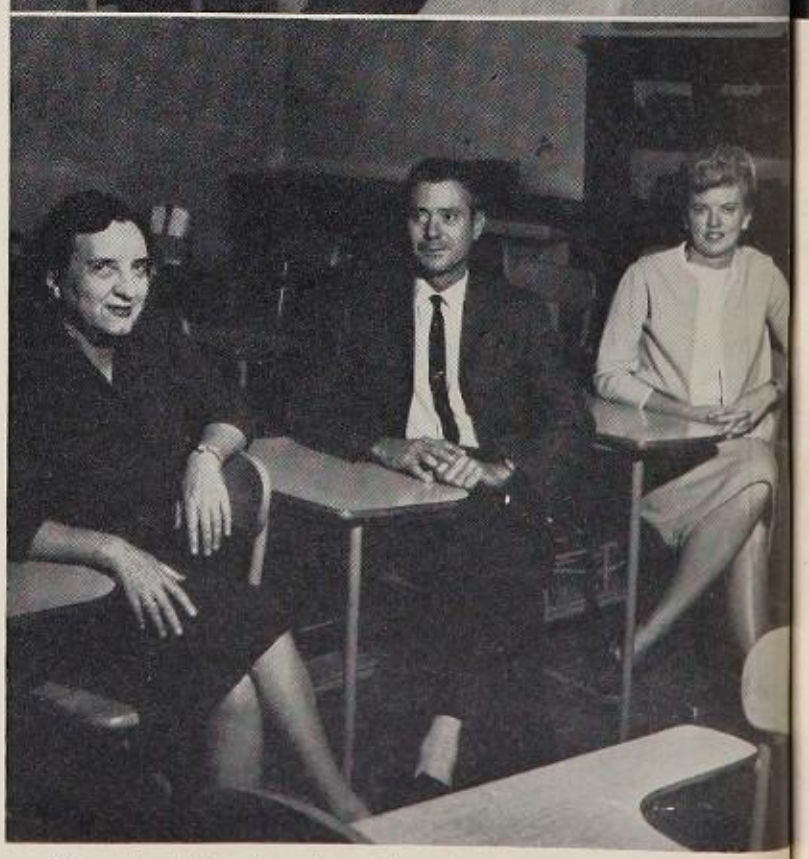
MRS. ROBERTA ADAMS and MRS. LOLA SEDGWICK are taking time out to pose nicely for this picture. Their English classes can wait!

MRS. THELMA PATTERSON, MR. ROBERT McCLINTOCK, and MRS. JUNE WARD are dreaming of the June day when their English classes will be over.

"To be or not to be...." quotes MRS. ERMA HALEY. "Better not be," say MR. JAMES WILSON and MR. JOSEPH CUMMINGS, all English teachers.

English teachers, MISS LAURA McKEEVER and MR. FLOYD LEIGH, are busy doing spring cleaning in the book room.

Anyone for the **Merchant of Venice, John Brown's Body, The Scarlet Letter, Hamlet,** or **Canterbury Tales?** These are a sampling of the books read in sophomore, junior, and senior English classes. Besides the usual grammar, novels and anthologies are studied. Students may enroll in English essentials or English honors.

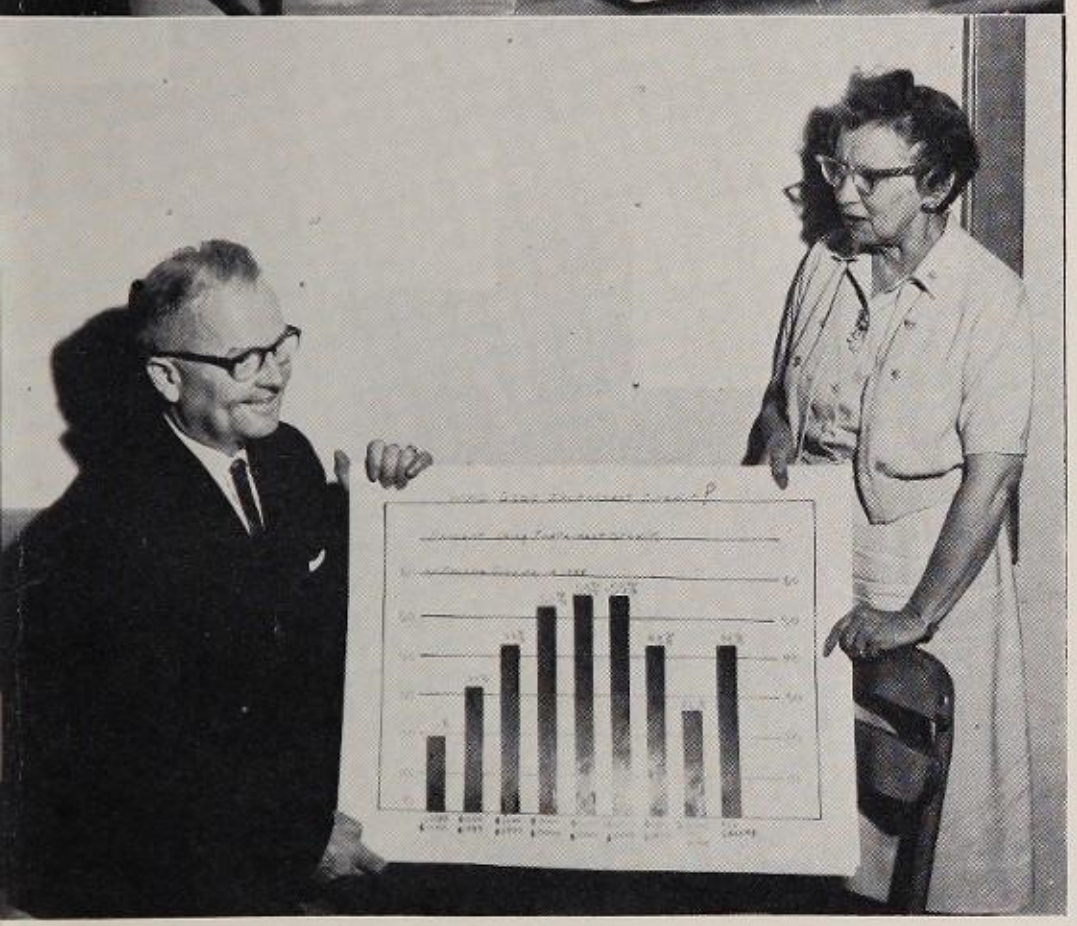


Discussing their classes' reactions to some required reading are MISS MAY HENRY, MR. WILLIAM BELL, and MISS ALICE BREKKE, english teachers.

MISS DOROTHY SCHNEE and MR. ROBERT WRIGHT watch MRS. DOROTHY ROONEY do a one-minute timing. "How many words can she type per minute?" they wonder. They are all commercial teachers.

Have you ever wondered how your father makes out his income tax return? Do you yearn to type without looking at the keys, or take notes in shorthand? You can learn these techniques in the commercial classes of bookkeeping, typing, shorthand, recordkeeping, and business law. These are appropriate for business leaders and secretaries of tomorrow.

Business instructors MISS BETTY ANDERSON and MR. MAURICE BECKLEY are practicing good business techniques on each other, in an effort to set good examples for their students.



Commercial teachers MR. RALPH BRAND and MISS MARGARET ELLIOTT have gathered statistics on people using installment credit.

AND BUSINESS

MRS. MARGARET POFAHL, MR. WILLIAM HALL, and MISS SHIRLEY SMITH are discussing ways to get more students interested in the commercial field.

ing in charge of all the audio-visual equipment keeps MR. PRESCOTT OGSWELL on the move. He teaches driver education classes.

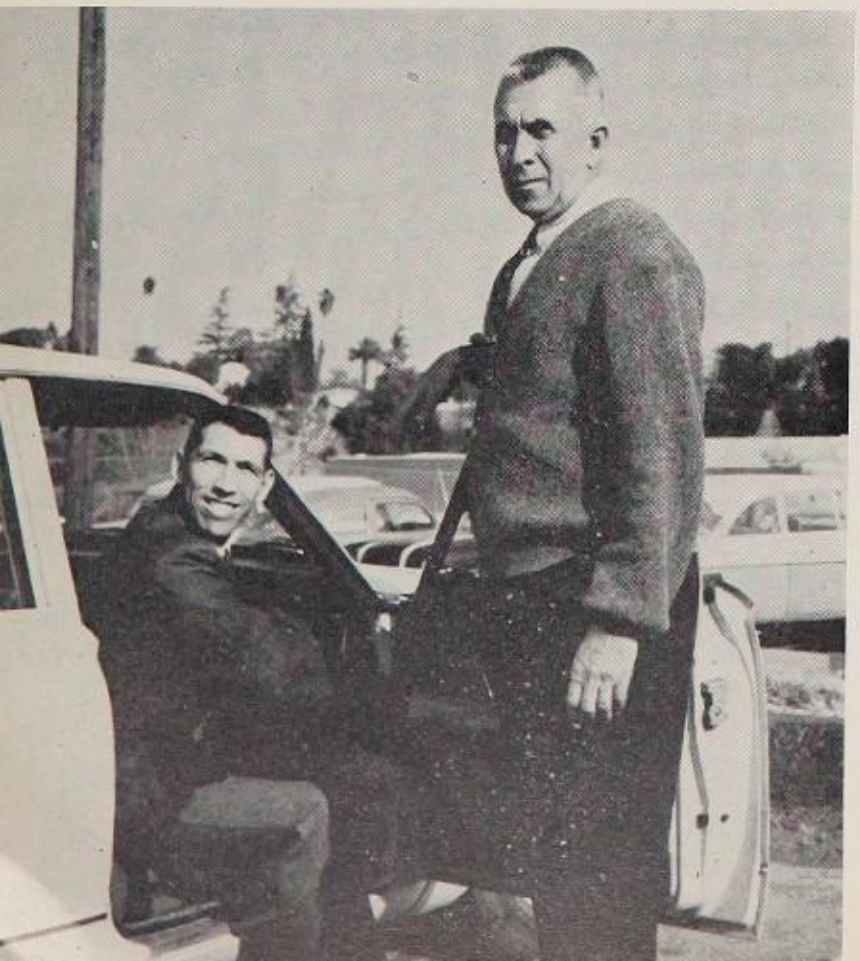
Driver education instructors MR. LESLIE EYNON and MR. JOHN ELLIOTT review the film "How to Parallel Park." "There would be fewer dented fenders if people knew how to park properly," they comment.

Watch for pedestrians! Slow at railroad crossings! Do you have trouble parallel parking, making U-turns, or changing lanes? If you do, driver education is the class for you. You'll learn proper driving habits and courtesy to others. Students receive actual driving experience and simulated training in the drive-o-trainer. All these help to make our students better drivers.

Another driver education instructor is MR. CECIL CUSHMAN. His wonderful sense of humor helps many students relax on their first driving experience.

THESE TRAVELED

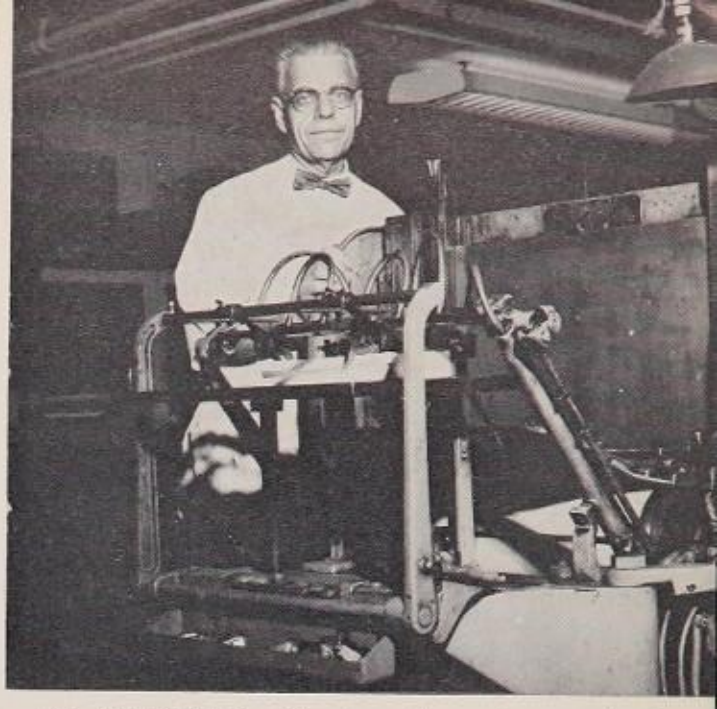
MR. ALVIN MARTIN is helping MR. ARTHUR VALVERDE out of the car. You know how it is after riding with those inexperienced driver education students!



"But officer, I was just driving along, minding my own business when . . ." says MR. RICHARD CURRY, driver education teacher. Better luck next time!

MR. JOSEPH LEUENBERGER, language teacher, is ready to start correcting test papers. "Why can't my students spell correctly?" he wonders. Maybe it's because the language is Greek to them!

MISS GERDA SCHULZE, German teacher, is planning the assignments for the week. "I want something different this week," she says. "I'll have a test every day!"



MR. RICHARD EPP smiles at another project completed by his printing class. The attractive posters which you see around Poly announcing plays and movies are the work of printing classes. They also print programs, tickets, and Poly's newspaper.

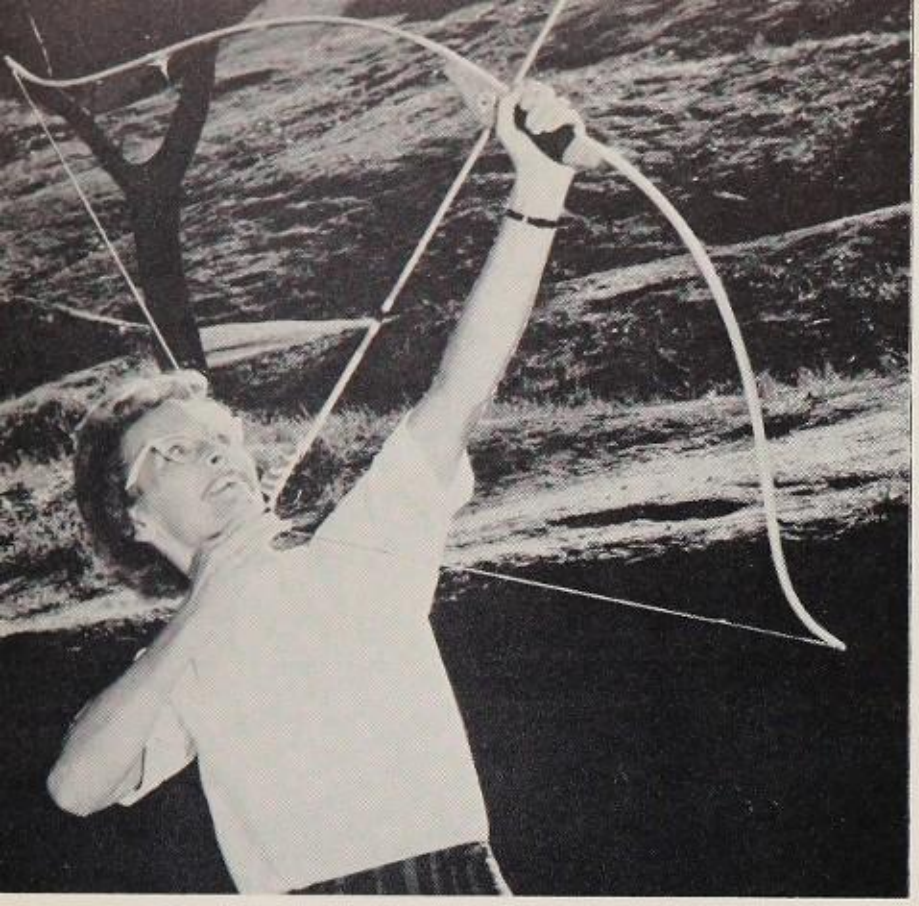
Do languages fascinate you? Are you planning to major in a language in college? Poly has a large selection of languages, including French, Spanish, German, Latin, and Russian. Fine opportunities are provided here for a good foundation in a language. Our foreign language students always represent our school well at language field days and other such events.

MISS GLADYS GILBERT, MISS DELIA LOPEZ, and MISS AGNES McABEE, language teachers, are wondering about some new teaching techniques for their classes. "What would happen if we let the students teach the class?" they ponder.

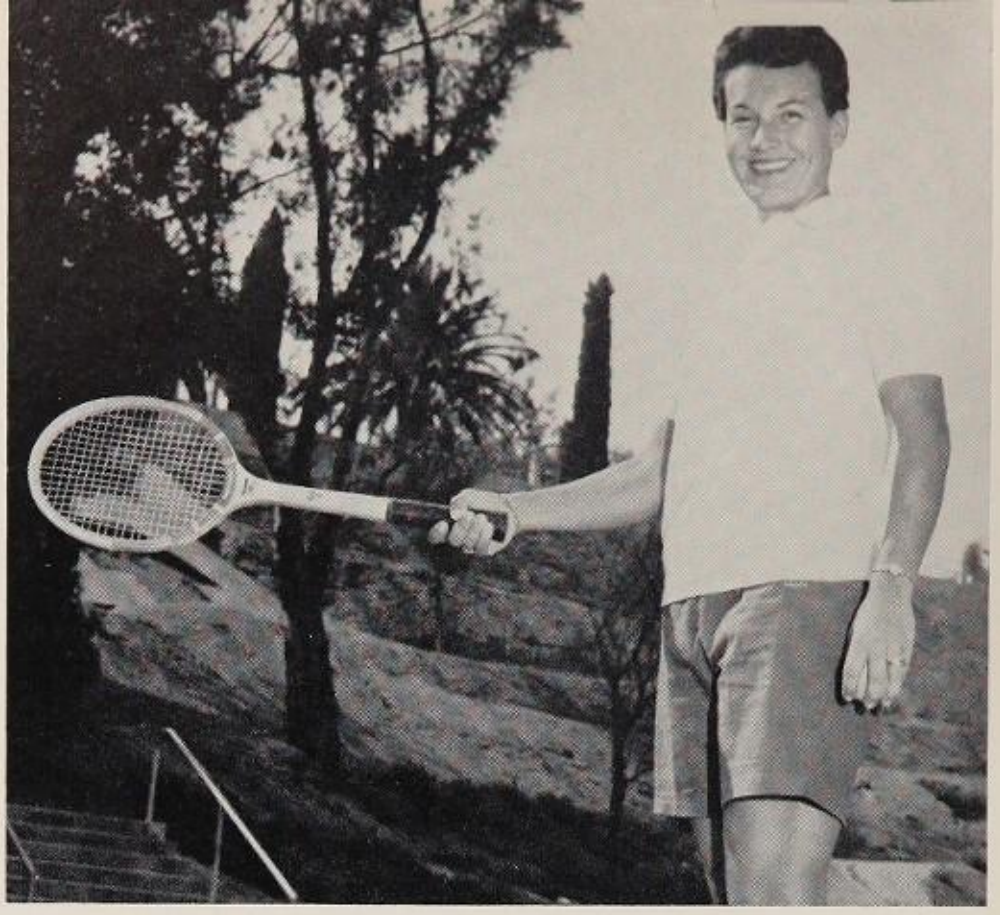
THESE STUDIED

MRS. BETTY SMITH and MRS. Jo ELLEN DOOLEY are waiting to help any students who need assistance in the library. If you have any questions on how to find a book, or how to look up information in the library, they will be glad to help you.

Often teachers are seen taking a walk around the campus after school is over. MR. WILBUR BOOTH, MRS. JAN PAUW, and MR. GASTON GEORIS, language teachers, are taking a few minutes to pose while the photographer snaps the picture.



"Never shoot into the air for fun," are the words all of MISS SONIA DOSHNA'S archery students have heard. She also emphasizes the wearing of finger tabs and arm guards.



MISS DONNA KRAMER, Girls' P. E. instructor, is practicing the proper way to hold her tennis racket.

MISS IVA DILTS, Girls' P. E. teacher, smiles after turning in her grades. "I thought they were very good this time," she kids.

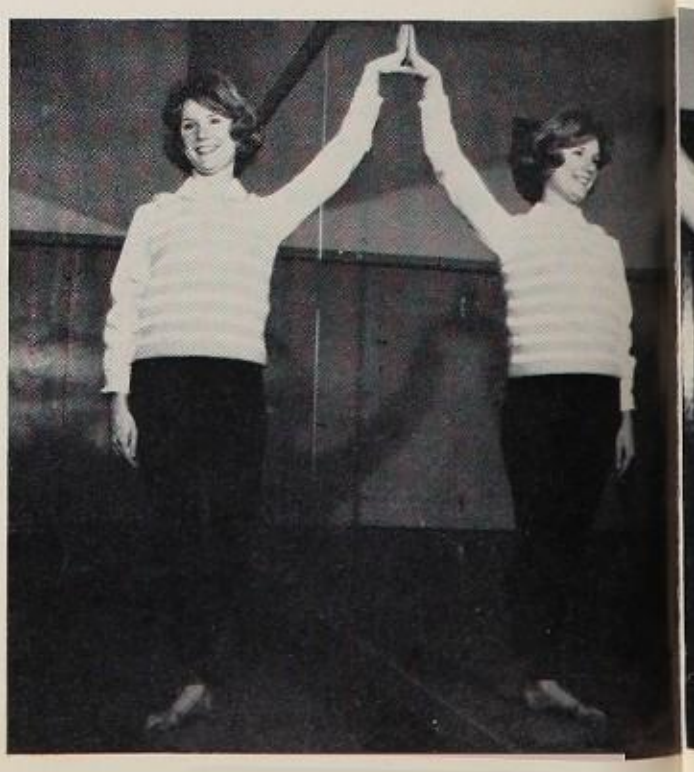
The Girls' P. E. class activities varied from body mechanics to archery. The sophomore girls had a quarter of swimming, basketball, body mechanics, and soccer. As juniors the girls had field hockey, softball, golf, and tennis. Archery, tennis, volleyball, and badminton were taken by the senior classes. Girls may elect to take modern dance in their senior or junior year.

THESE WERE ALL

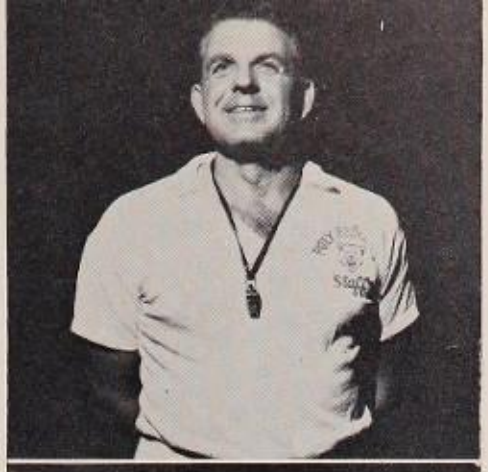
Practicing her archery techniques for a class demonstration is MISS NADINE NIXON, Girls' P. E. teacher.

MISS SUZANNE ELLIOTT, head of the Girls' P. E. department, looks as if she is ready for a rousing game of tennis. Notice the twinkle in her eyes!

Meet Poly's twin teachers. That's news to you? It is to MISS CAROL ELY also! Who is it? It's her reflection! She instructs the Dance I and Dance II classes.



MAJOR JOHN WEIL is in charge of the R. O. T. C. program at Poly. This program offers fine opportunities for boys interested in military training.



Top center: COACH RAY HALLE is all smiles as he watches his varsity basketball team practice for a big game.

COACH AL JENNINGS is ready to fall into the pool. He instructs boys' swimming classes, and coaches the water polo and swimming teams.

SFC. RALPH HALL of the R. O. T. C. department waiting to give his class the latest news on rifle techniques. "Let's not start shooting yet," he suggests

"A girl pole-vaulting?" ask COACH EARL MARSHALL and Bob Geddes. No, it's really superwoman!

GOOD SPORTS

MR. BRUCE WILSON can't wait to start coaching his varsity baseball team. He's got the bat swinging already. Besides coaching, he also instructs driver education students.

COACH BEN HAMMERSCHMIDT is going to congratulate his varsity football team on a game well played. "They're very good at tiddlywinks," he jests.

Boys' P. E. instructors Mr. ENGENE HUGHES and MR. ORRIN RIFE are caught standing still for once. They are usually seen chasing a basketball.

MRS. CLEO ZEHNPFENIG is having a ball cutting up some scraps of material. Why not? "Can't I cut just for the fun of cutting?" she asks.

Students on the way to their classes.

Girls, do you sew a crooked seam, overspend the budget, get all in a stew over giving a party, and make gooey jello? A girl who doesn't do these is a girl who has had homemaking. This is a good experience for all girls who are planning for the future.

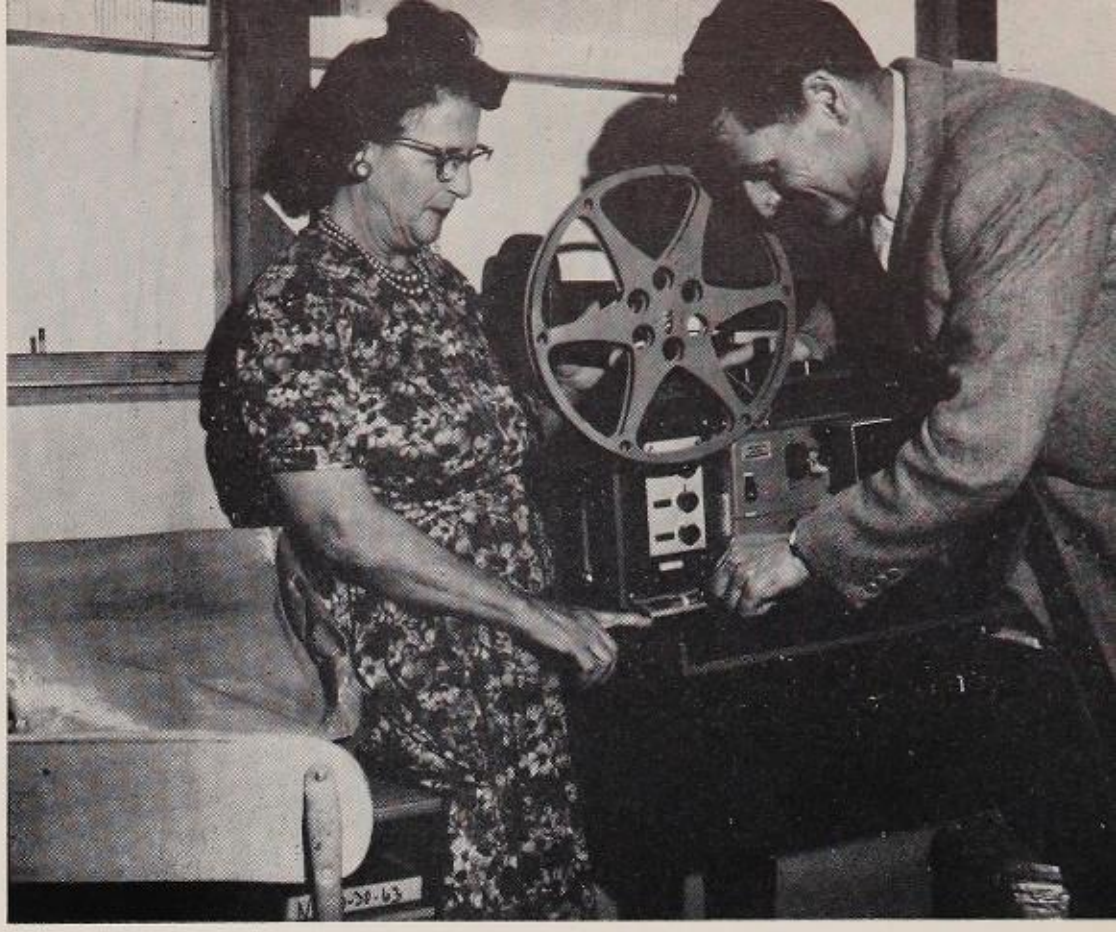
Miss Laura McKeever conducts one of her English classes.

THERE WERE HAPPY ROADS TO

Mr. Donald Haneke puts one of his vocal groups through its paces.

Homemaking teachers enjoy preparing girls as homemakers of tomorrow. **Left to right:** MRS. BONNIE ROSE, MRS. ELEANOR SNEDDEN, and MISS VICKI SCHOULER.

Setting up a film for their special education classes are MRS. MARGARET BLACKWELL and MR. RAYMOND RIGGIO.



MRS. ELSIE ADELSON, school nurse, listens to all the health complaints of the students. "Sorry, I can't give you any aspirin," is a frequent remark she has to make.

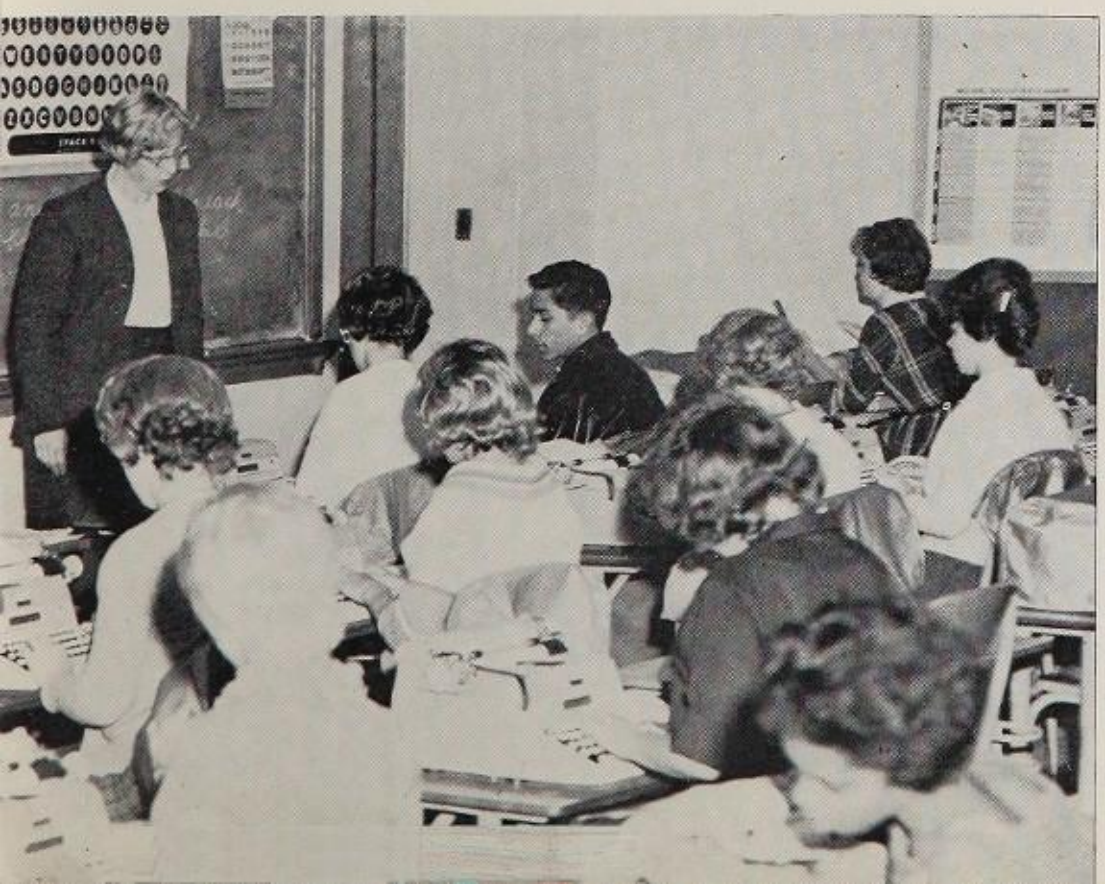
Special education classes serve a most important and unique training to a number of Polyites. Mrs. Blackwell and Mr. Riggio are experts in this field.

Another very important phase of Poly's program has to do with health services, presided over by the competent Mrs. Adelson. The health office is indeed a busy place and surely does its part in helping to meet the needs of the students.

It is Mr. Phillips who has had charge of journalism. The history, ethics and techniques of journalism are studied here. The Spotlight staff takes this class — hence our fine newspaper!

GOOD HEALTH AND EDUCATION

A student of typing techniques, or of any other class room activity, can always depend upon the teacher to help in any way possible. Student-teacher cooperation is the prime essential of education.



MR. ROBERT PHILLIPS is advisor for the Spotlight, and an English and journalism teacher.

MRS. ROSE BALLEN and MR. DONALD KNIE are looking over this "different" dog. "What kind is it?" Mrs. Ballen asks. "I don't know, but it surely is shaggy, isn't it?" Mr. Knie replies. Both of them teach art classes.

Art teachers MR. RALPH BUTTERFIELD and MR. DONALD WHITE are discussing some new classroom activities. They are always trying to present new projects to their students.

Proof of high quality performances is given each year by our vocal music and drama departments in assemblies, plays, and concerts. They never give us Polyites anything but the best. Our art department, along with the English Club, always produces a fine selection of work for the annual Creative Arts Festival.

CREATIVE ARTS

"Peek-a-boo! I can see you with this spotlight," jokes MR. ROBERT DYER, drama teacher.

Sing along with Haneke! MR. DONALD HANEKE is singing right along with his class as usual. "Let's have some more volume," says the vocal music director.

The busy, busy cafeteria women are: Seated: Kay Lewis, Delphinia Garcia, Sara Townsend, Edith Stout, Doris Stroup. Standing: Virginia Field, Birdene Miller, Liz Petty, Lucile Patterson, Sibyl Whitten, Ida Reynolds.

These are the hard working ladies who try to satisfy students' appetites at the lunch stand. **Row 1:** Agnes Laullin, Frances Hannah, Susie Stevens. **Row 2.** Mildred Fisher, Ida Conley, Verna Scheideman. **Row 3:** Mary Hegerick, Velma Neel, Georgia Anderson, Lucy Smith.

CULINARY ARTISTS

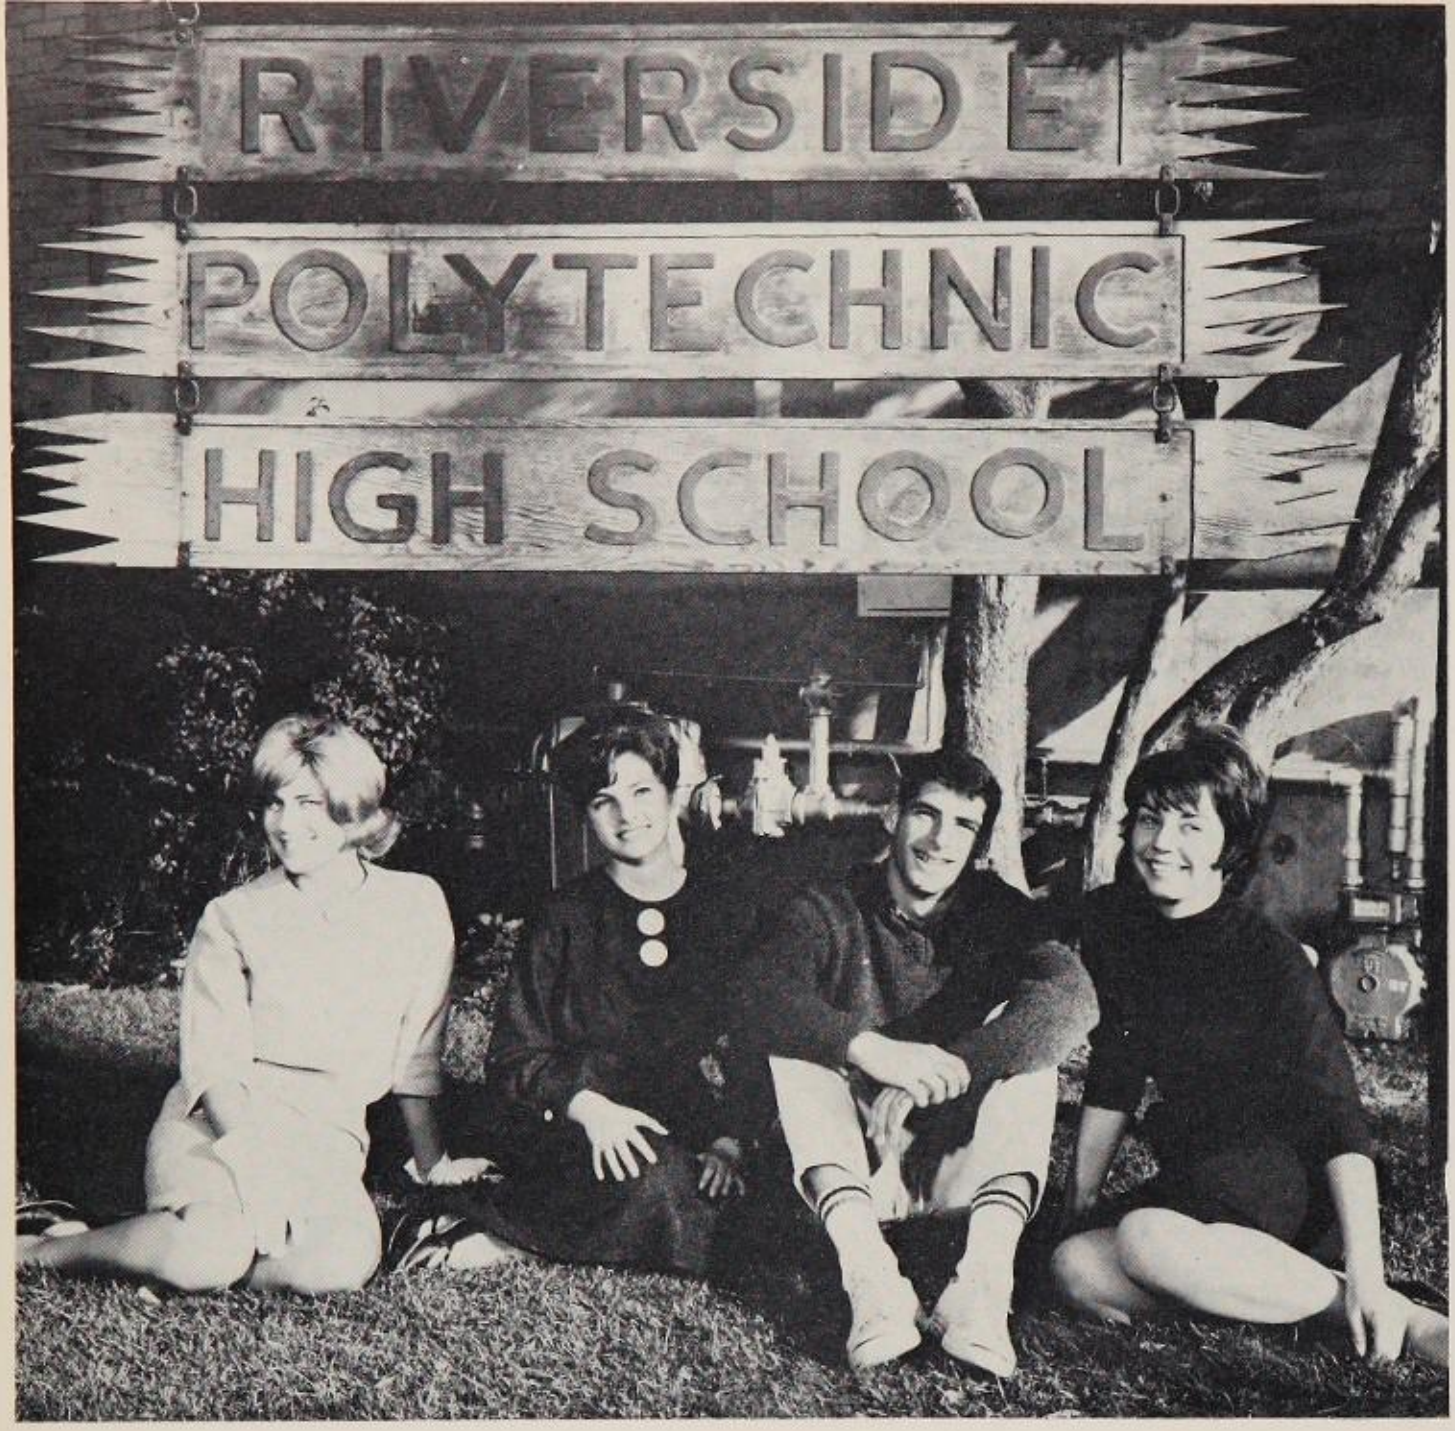
Giving assistance to his students is Mr. Paul Rupel, drafting instructor. Teachers are always willing to give extra help to pupils who want it.

HAPPINESS

IS AN ADVANCING

STUDENT BODY

POLYTECHNIC HIGH SCHOOL
ADMINISTRATION



Here sit the SENIOR OFFICERS goofing off. No, no... they are doing some constructive thinking. Really, these are the students who made this the best senior year ever. Left to right Pam Fisher, Social Chairman; Sue Nichols, Secretary; Jon Ellowitz, President; Pam Cochran, Treasurer. Not pictured is Ron Hasson, Vice President.

THE ON-THE-GO

The SENIOR COUNSELORS, Mrs. Ruth Wheeler and Mr. Milton Tew, are looking up the word "senior." "More advanced in dignity, rank, course; superior," wrote Webster. "That's what he thinks," they agree in chorus.

The SENIOR SPONSORS are smiling at some of the ideas that will never be used for senior activities... a bikini day? Left to right: Mr. Leslie Eynon, Mrs. Eleanor Snedden, Mrs. Roberta Adams, Mr. Prescott E. Cogswell.

Poly has been blessed the last three years by the presence of the Obarphs, or more commonly known this year as the exalted SENIORS! Filling each day with excitement and activity, the "on-the-go" seniors left memories that will never be forgotten. Setting an example for the underclassmen, the senior presented Medea, "Midnight in Rome," and folksinger Tim Morgan. In their sophomore year they took the student body to New Zealand in an assembly. Also as sophomores they beat the juniors in the interclass track meet, and the next year they pounced the seniors. In their junior year they also presented "The Twelfth of Never" to the seniors. In their last year of high school, the Obarphs left their mark both socially and scholastically.

Betty Rockwell, John Goggin, Tamie Bruce and Bob Hubbert dreamly look at each other as they catch the mood of a "Midnight in Rome." They won't need any encouragement to start dancing.

SENIORS

The Senior Council pauses here between sessions. They are contemplating some ideas about money. They collected senior dues and now have to decide what to do with the money. Any intelligent suggestions? **Row 1:** M. Levesque, M. Sampson, S. McManigill, J. Whiting, M. Waldin. **Row 2:** M. Phelps, J. Dietrick, D. Schuster, S. Nims, N. Peterson, M. Campbell, H. Sieradzki.

THE JUNIOR SEROMOPHOS

The Junior-Senior Prom this year had the unusual and catchy theme of "Roses and Lollipops." Among those who will forever remember this dreamy occasion were Peggi Jones, Dennis Harter, Kathy Krey, and Doug Coe.

"Here's the first payment on my ring," says eager Bill Kavrik to Debbie Jackson. Seniors and juniors are able to purchase their class ring each year in the A. S. B. store. Alexa Zikratch, Craig Kessler, and Terry Bussey look on.

"How long do you think they can last?" wonders Mr. Arthur Cook to Mrs. Margaret Pofahl. The sophomores are busy painting the "R" while the class sponsors enjoy supervising them.

"We'll only have them for three years," says Mr. James Ledbetter to Mrs. Willetta Mulkey, sophomore counselors. "But what a job guiding and directing them through their high school years."

This bug-eyed group is the honorable Sophomore Council. These lowly creatures did their best to make this a memorable year for all sophomores. **Row 1:** C. Franks, K. Kelly, C. Cressweel, J. Mason, G. Engel. **Row 2:** L. Clayton, S. Jones, C. Hicks, S. Orr, T. Pappas. **Row 3:** M. Heiliger, B. Male, T. Ellison, B. Shaffer, M. Reade, D. Stone, M. Gatson.

ALMOST NAMED

On a much-dreaded October day, the nameless ones were driven in herds to Wheelock Field to be branded! To the amusement of the upperclassmen, the cracks in the plaster were named Ratfinks. But that was too good for them. So the name Skinfrat took its place.

These are the outstanding officers of the Sophomore class (but you can only expect so much from sophomorest)! Mary Davis, Secretary; Sue Lines, Social Chairman; Kathy Wright, Treasurer; Dick Stone, President, Tom Pappas, Vice President.

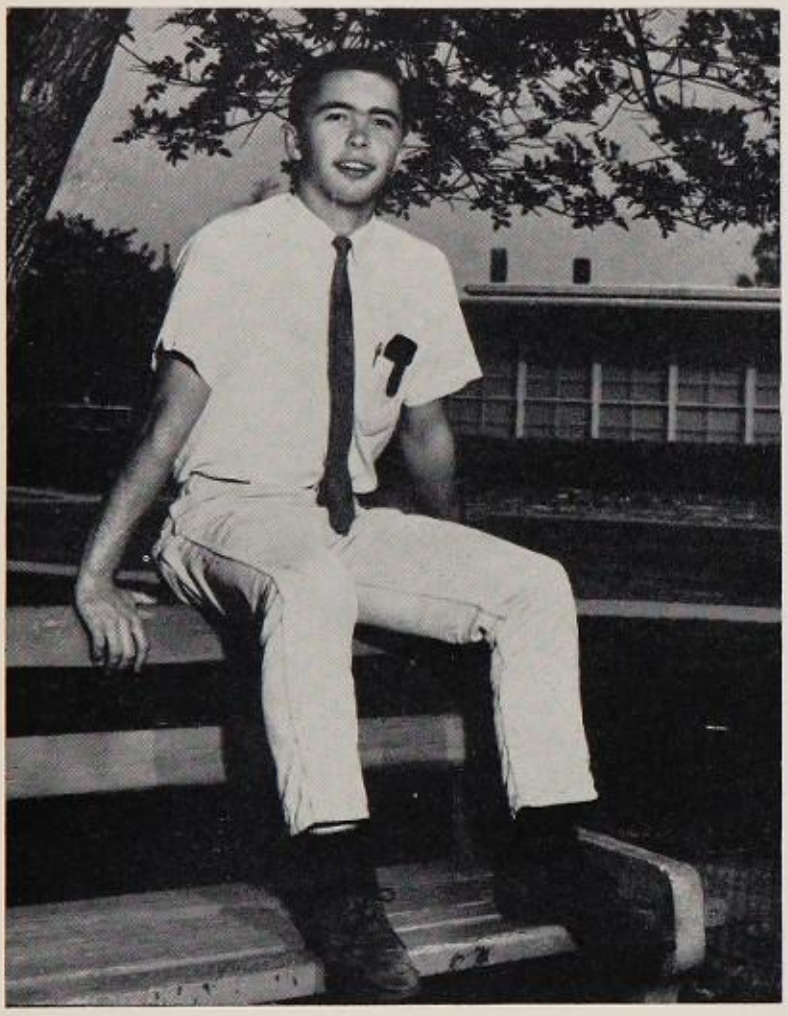
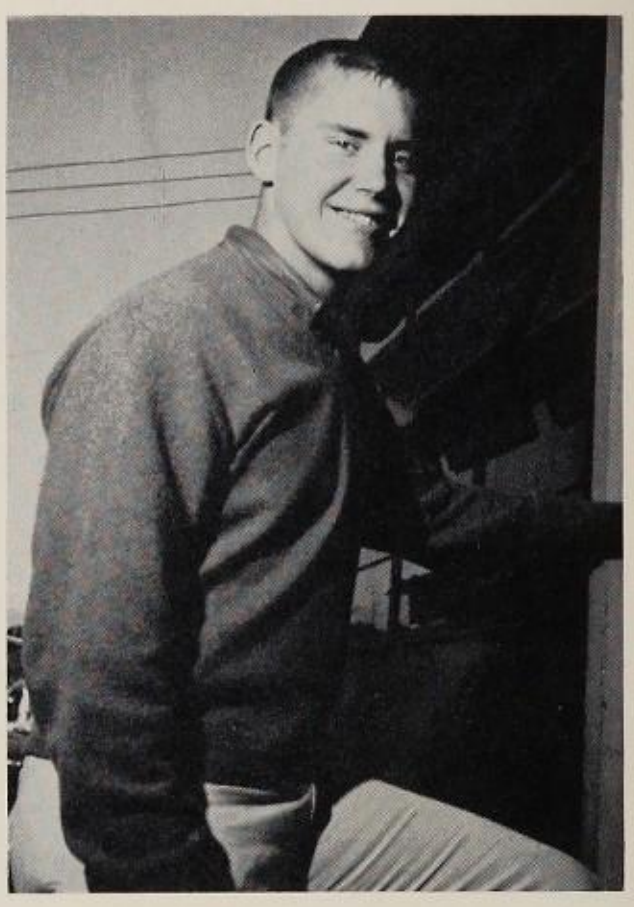
Painting some more publicity is BECKY BARNHILL, Commissioner of Publicity. Becky is responsible for keeping Polyites informed about games, dances, plays, and concerts.

MR. WALTER DAVIDSON is ready to help the Commission with all its decisions. A willing advisor, he is always here to aid the Commission with the problems it encounters in keeping Poly's standards high.



DOUG DONAHUE takes a well-deserved break, after another busy day as A.S.B. President. Doug had a big job leading Poly through the year, but he did it very successfully, don't you think?

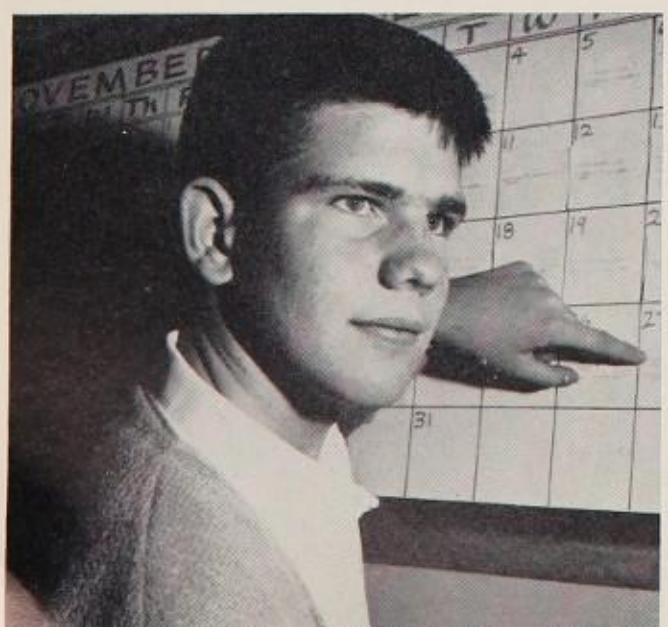


A.S.B. Vice President, JOHN PETERSON, is off to take charge of the House of Advisory. He presides over all its meetings and tries to accomplish its purposes.

THESE ARE OUR

EDDIE FINNEY flashes her well known smile to all Polyites. Sitting high as President of Girls' League, she is watching over the welfare of all Poly girls.

BILL HORSTMAN is looking for an empty Friday night to plan another rousing dance. As Commissioner of Activities, Bill is responsible for student body social events.



FLIP CLARK had a busy year as Commissioner of Boys' Welfare. He kept all boys active in Poly events.

DIANE SORBEN, Head Yell Leader, is ready to give all her support to Poly's teams. With her "spirit" football and other equipment, she's going to yell and scream her hardest to help our teams.

Catch that criminal! He's breaking into the assembly! "But that's my assembly!" screams BOB HUNTER, Commissioner of Assemblies.

LES BLUTMAN, Editor-in-chief of the Spotlight, is taking a look at next week's paper. "Oh, no!" is his only comment.

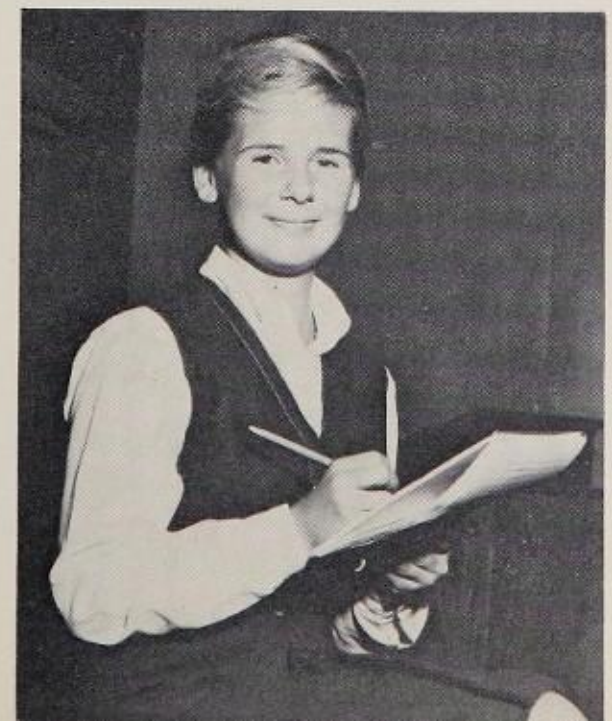
An ex-officio member of the Commission is Patti Jones, Editor-in-chief of our annual, the KOALA.

Class presidents represent their respective classes on the Commission. Brian Kennelly, junior persident; Jon Ellowitz, senior president; Tom Pappas, sophomore president.

STUDENT LEADERS

The Commissioner of Domain is DON STOUT. He keeps busy with rooter buses and campus clean-up campaigns.

"Ready!" says BARBARA CLINE, Commissioner of Records. Always prepared with a pen in her hand, Barbara stays busy keeping A.S.B. records.

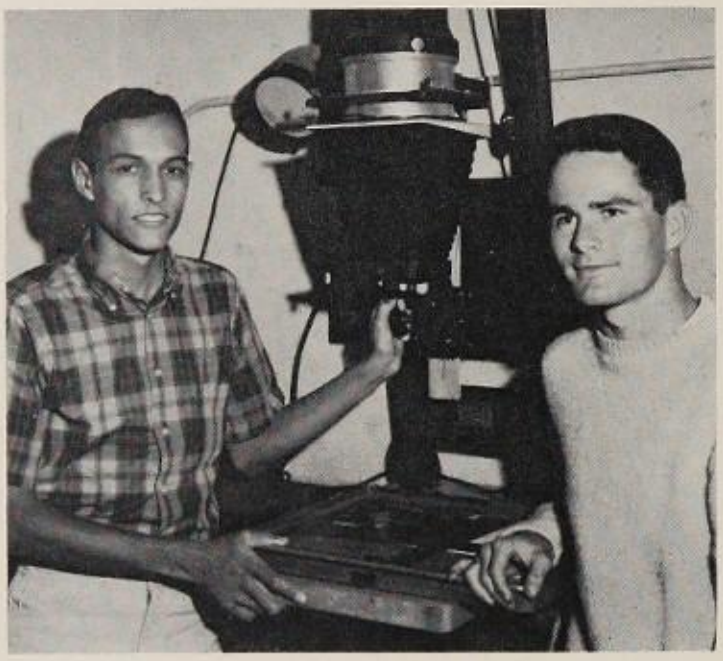


We caught STEVE WORLEY holding the bag, but he doesn't seem to mind when it's full of money. Steve has handled quite a bit of green paper as A.S.B. Treasurer.

The production of a yearbook is no easy task. Many hours of planning go into each layout. After each editor is satisfied with her layout, some unforseen event occurs and all must be changed again. Taking, dimensioning, and cutting pictures take countless more hours. Typing up copy sheets is another job that must be done. All these items must be taken into consideration by each editor during the course of the year. A finished product is the final reward for the staff.

Sports Editors SARA SNYDER and JANICE BRUNIG are right in three "pitching." (Janice, that's the wrong kind of ball. Your bat is upside down, Sara).

After carefully inspecting all past KOALAS, PATTI JONES, Editor-in-chief, should know how to edit the greatest KOALA ever. She tried and succeeded! The KOALA staff owes Patti a big Thank You for her constant help and cheerful attitude.



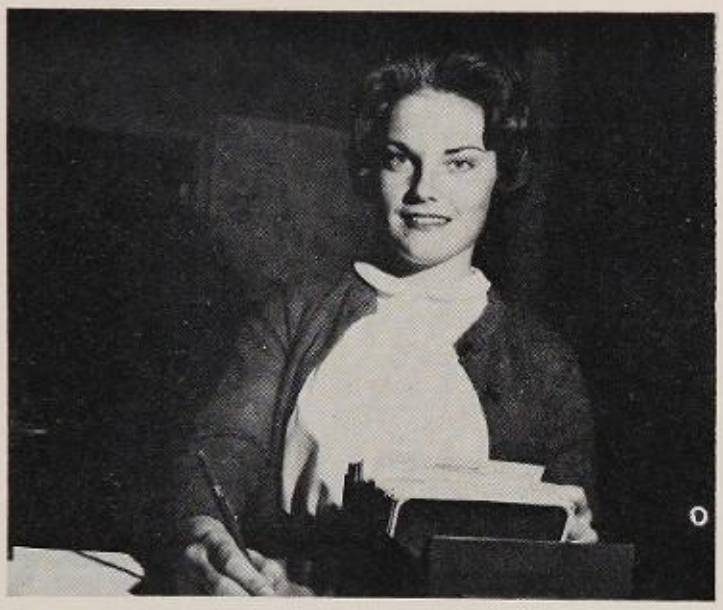
"Happiness is taking pictures," say DOUG COE and DON SUITER, photographers for the KOALA. Without their constant willingness to take pictures for the staff members, the annual never would have been completed.

Activities Editors MOLLY FITZGERALD and MOLLY McKINSTRY relax after spinning on the social wheel. They are kept busy chasing clubs, trying to get pictures for the KOALA.

SUE RUBIN, Advertising Editor, and her assistant, SALLY FLINT are taking a break from their busy job of finding advertisements for the Koala.

PAT FRANKEN, Business Manager of the KOALA, has a new paper outfit. It's the latest fad — paper money! Pat was in charge of KOALA sales this year and balanced the books.

The expression on LINDA LEHMAN'S face shows that she has dreamed up some more copy for the Happiness book. As the KOALA Copy Editor, she is responsible for all captions in the annual.



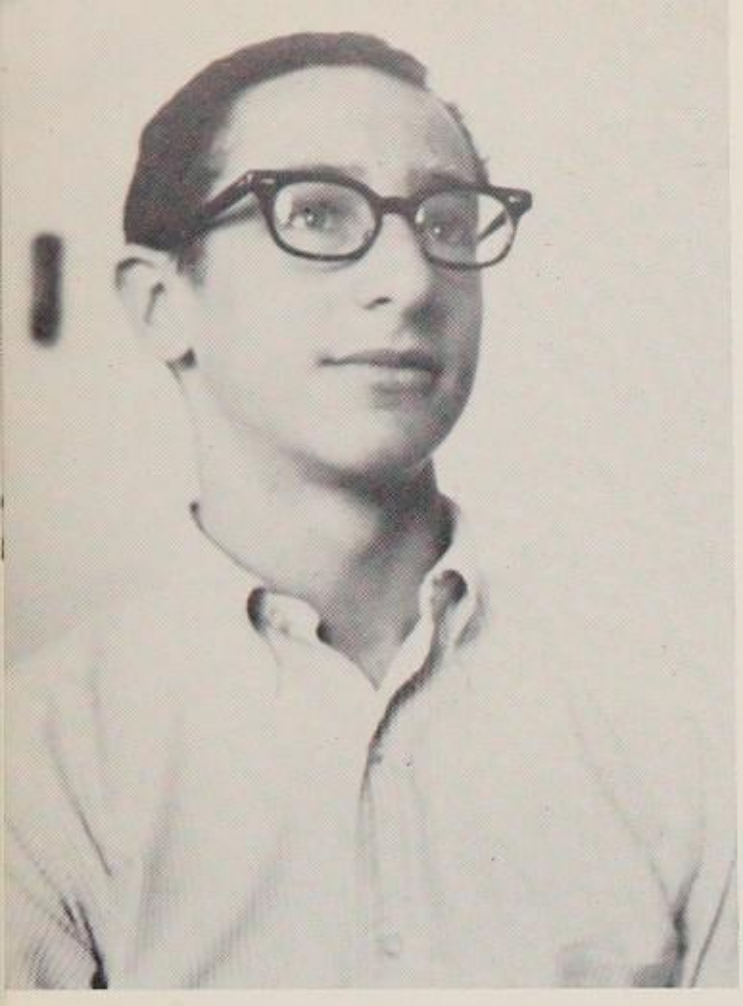
PATTI LUNDQUIST is looking up senior advisories again. Patti thinks she spent half her time in the office, looking for stray seniors who failed to have their senior pictures taken. Patti is Senior Class Editor.

Class Editor for the KOALA is CHARLYN KLINKERT. She can repeat the names of sophomores and juniors in her sleep! She had the big job of identifying the faces in all the class pictures.

PRESTO – A KOALA!

Sending out notices for faculty pictures is SANDY KOMLENICH, Faculty Editor. Scheduling pictures for the convenience of the *ea

In his usual pleasant mood, MR. ADAMS is whistling a happy tune. As advisor of the KOALA, his good humor helped the staff members over many crises.



Editor-in-Chief of the Spotlight is LES BLUTMAN. He does everything from dreaming up editorials for the paper to chasing down unpaid bills.

Assistant Editors of the Spotlight are DAHLILA LYCHOU and GREG RUSSELL. Here they pause for a breath of fresh air after a busy day's work.

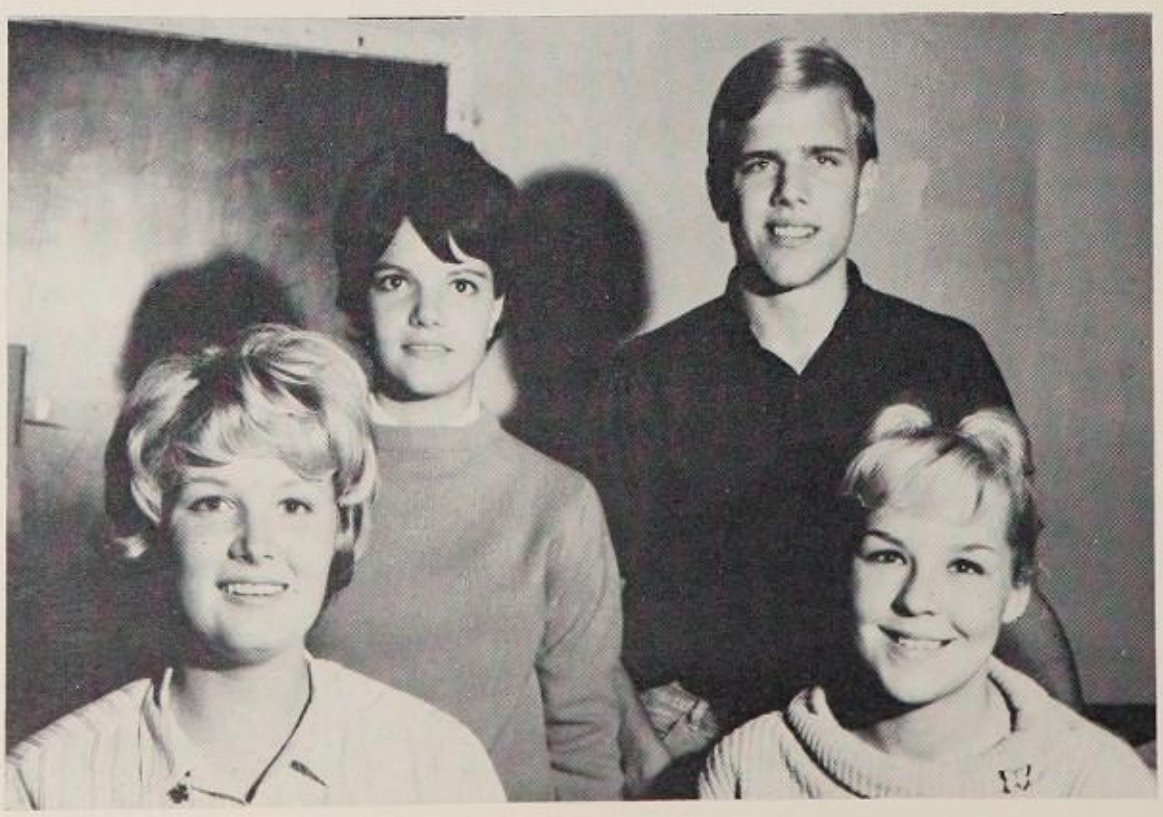
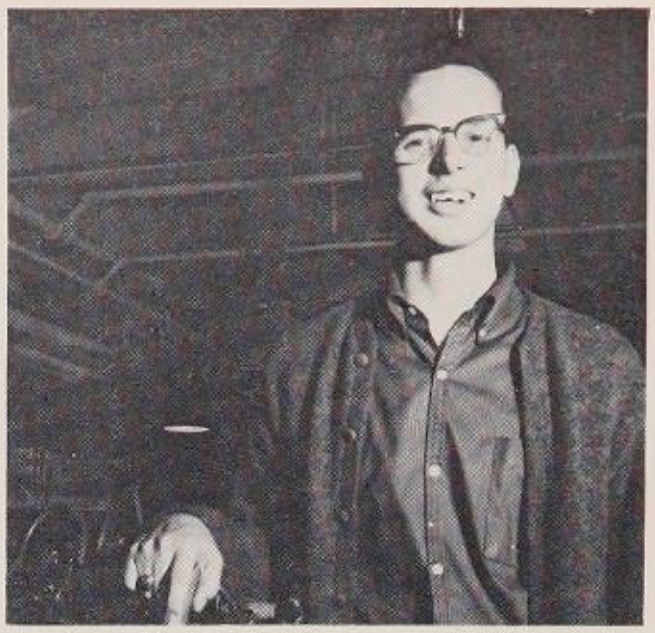
Do you know what happened at Poly this week? Want to find out? Read a Spotlight on Friday. The reporters keep Polyites posted on the latest news. **Row 1:** Sharon Landry, Susan Ivanoff, Terry Clark. **Row 2;** Gary Kelly, Diane Sherwood.



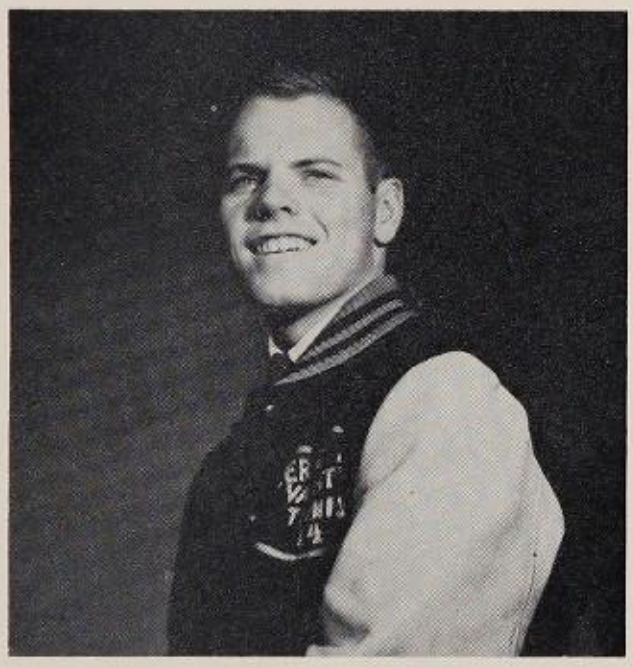
More reporters! **Row 1:** Joanne King, Sarita Adams. **Row 2:** Sue Barrier, Mike Wilson.

BECKY JONES, Business Manager, has quite a job balancing the books for the Spotlight. Her pretty smile must mean that she is keeping her head above water, mustn't it?



"Would you like an ad in the Spotlight?" asks STEVE DAWIDZIAK, Advertising Editor of the Spotlight.

NEWS, NEWS, NEWS!



BOB HUBBERT, Sports Editor for the Spotlight, has a busy job, chasing teams for his sports stories.

MR. ROBERT PHILLIPS is very happy after reading the latest Spotlight editorial. "That's my great staff for you," he cheers.

Members of the Spotlight staff are setting up type ready for printing. They appear to be enjoying their work. Left to right: Mr. Louis List, D. Sherwood, S. Ivanoff, L. Blutman, D. Lychou.

Miss Jean Thayer, Dean of Girls, and Eddie Finney, President of Girls' League, are always busy planning activities for all the girls at Poly.

Sophomore girls' "Big Sisters" are senior sponsors. During the first few weeks of school, the senior sponsors acquaint the sophomore girls with rules, standards, and routines of Poly. The Senior Sponsor Captains are: **Row 1:** N. Peterson, L. Patterson, S. Ingley. **Row 2:** B. Bagwell, S. Scollard.

"ALL FOR ONE..."

Every girl at Poly is a member of GIRLS' LEAGUE. The theme this year was "All for one . . . ." The officers tried to promote goodwill among the girls of Poly and give them a sense of belonging.

Dances, sales, and drives were sponsored by GIRLS' LEAGUE to raise money for Tai Sau, our foster child in Viet Nam.

Service hours are given to deserving and hardworking girls for services rendered. Fifty junior girls with the most service hours are given the honor of being on the Daisy Chain, a beautiful sight at graduation.

The Girls' League Service Board keeps track of service hours and dreams up projects for which girls may earn service credit. All right, how many girls are going to bake cookies for service hours? **Row 1:** G. Carman, B. Shervanick, C. Zehring, C. Babcock. **Row 2:** P. Parks, F. Bergman, E. Malkovich.

Each P. E. class has a representative to the Girls' League Board. These girls are known as BOARDETTES. **Row 1**: S. Cook, S. Tudor, M. Meairs, C. Marr, K. Kelly. Row 2: L. Stoner, E. Rockwell, S. All the Girls' League officers make up the Girls' League Board. They try to establish a warm and friendly feeling among all Poly girls. **Row 1:** G. Bishop, L. Patterson, G. Goodwin, J. Dietrick, F. Bergman, P. Wade, Miss Jean Thayer, E. Rockwell. **Row 2:** M. Goodwin, C. Cruz, W. El Fawal, C. Hayward, E. Finney, K. Barnhill, S. Courtney, N. Courtney.

Have you ever commented to a friend, "He's a brain!" That person could possibly be in the above picture of C. S. F. life members. Hard work and study account for these students' outstanding scholarship. Members of the CALIFORNIA SCHOLARSHIP FEDERATION for life are: J. Jackson, C. Babcock, C. Bauch, S. Hoffman. **Row 2:** D. Sorben, K. Yarosch, F. Bergman, D. Butler, P. Jones, C. Zehring, D. Middaugh. **Row 3:** D. Rife, B. Bauske, H. Sieradzki, T. Schwalier, O. Dodson, H. Erwin, S. Moje, J. Wahlin, F. Hansen.

Outsanding scholastic students become eligible for C. S. F. by having at least ten points, nine of which must be points from semester grades; the tenth one may be an additional grade point or an activity point rated by the C. S. F. scholarship committee. Of the basic nine points, five must be made in Group I subjects. Group III subjects are not counted. The motto of C. S. F. is "Scholarship for Service."

Bonds!

7-13 was the score (Anaheim's favor) for Poly's first game. The next non-league game was against tough Long Beach Wilson. Poly, failing to score, lost 0-32. We scored early in the Redlands game, but failed to score thereafter as Redlands scored every quarter for a 25-6 score. Determined to win our homecoming game, we defeated Fontana 32-7. Spirit was high as Poly met its rival across town, Ramona. Poly scored in the first two quarters preventing Ramona from scoring for a 15-0 game. In the San Bernardino game Poly failed to make one of the P.A.T.'s and lost a heart-breaker 13-14. The upset of the season was Colton's defeat over Poly 25-15. We did, however, come back strong in the next game to bounce Chaffey 19-13. We lost out last game in the mud to Pacific 13-7 which placed us third in C.B.L. We commend our team for a job well done.

THEY WERE HARD

"It's O.K., 26; my mother's got a giant in her washer!" says halfback Ron Hasson during the annual "Mud Bowl" game with Pacific.

Ron Hasson knows that it will take more than a mere six Long Beach surfers to get him down.

Flip Clark grimaces as he gets his blue suede cleats stepped on in an attempt to give Bonds (32) the chance he needs to break through Long Beach for a touchdown.

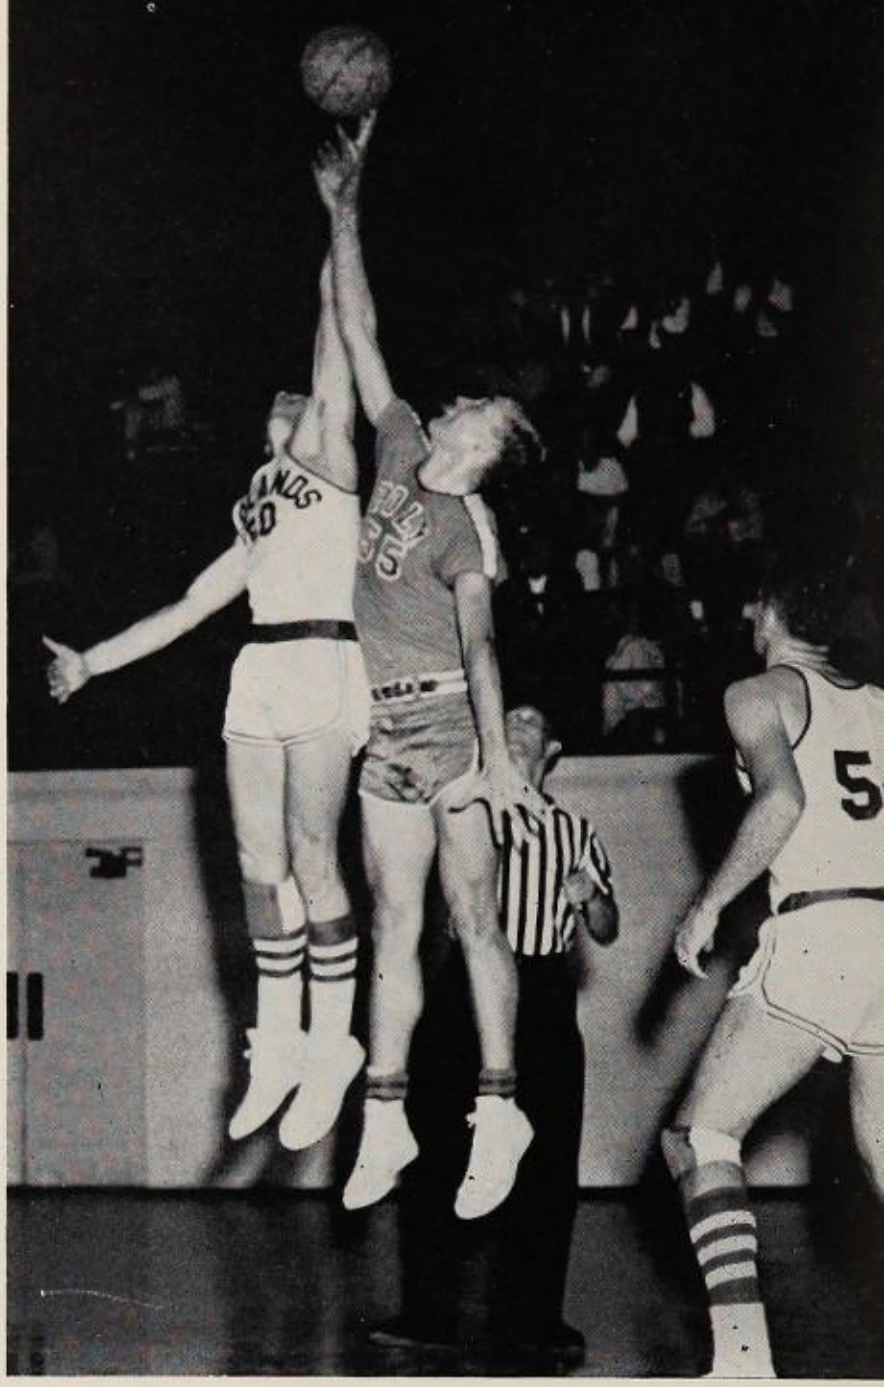
Displaying the skill that earned him a position on the all-C.B.L. team, Eddie Folmar executes a jump shot in the Redlands game.



Poly's 6 feet 5 inch varsity man Kirk Hampson and friend (?) vie for the ball in a tense game against Redlands.

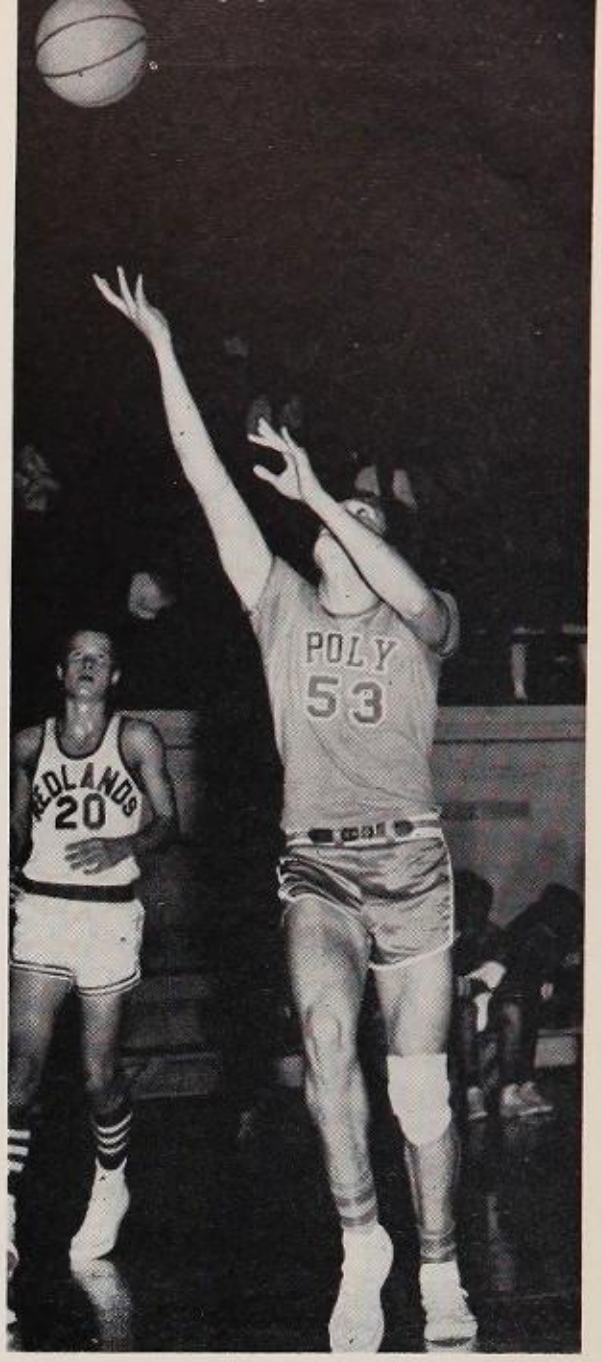
Poly's varsity basketball team came from behind to win over and over this season. With their desire to win plus many hours of hard practice, how could the team do anything but win? In several games Ed Folmar saved the day by sinking a last minute basket to gain another victory for Poly. In the most suspense filled contest of the year, the Ramona game, Folmar pulled this same trick in the very last second. He made a 25 foot jump shot to give Poly a 49-48 victory. The same thing was done by Kirk Hampson in the Fontana game, which we won 61-59.

The varsity basketball team lost to only two teams, and should be congratulated on a fine season.

FOR VICTORY



Tip-toeing thru the tulips, Marty Brill makes his way to the basket and sinks another one for Poly.

"PLEASE!! I'd rather do it myself!" exclaims Kirk Hampson as the rivals from across the tracks try to get into the act.

The Junior Varsity Basketball team had a great season this year ending with 20 wins and only 2 losses. These C.B.L. champs were a mixture of sophomores and juniors with three sophomores and two juniors on the starting lineup. High point man was junior Paul Redaelli who averaged 14 points per game. Bill Parsons, a sophomore, was close behind with 12 points per game. This team had such an outstanding season that game attendance was considerably greater than in previous years. With the promise shown in action this year, the varsity team next season should receive many qualified prospective players to fill their vacancies.

As usual the varsity Water Polo team had a fine season. Aided by only one returning letterman, they won all but one of their first round games. Losing once to first place Fontana and once to Chaffey in the second round, the team came to a third place finish. With their excellent defense tactics and Paul Redaelli to hold the offense, the team showed fine spirit all season.

Junior Bill Windor of Poly's C Water Polo team makes a wild shot towards the goal in hopes of racking up a few more points for Poly.

Eugene, watch out! Mike Mann seems to be swimming rapidly in the wrong direction—your direction! In spite of one or two mishaps, the Poly mermen, aided by Mike and Eugene Pillard, did a fine job this year.

This year's varsity swimming team did a fine job from the start. Aided by many members from the Junior and Sophomore classes, the boys showed fine precision and expert timing during all their meets. They did well at both the Redlands Relays and the Upland Invitational, and then came in a top second place in C.B.L.

Mike Mann set a new school record for the 200 yard free style while Jim Baross, John Bjournberg, Doug Reynolds, Scott Peterson, and Doug Neil qualified for C.I.F. Congratulations to all the boys for a job well done.

Poly vs. Pacific hurdling.

The varsity track team has made a spectacular comeback this year. After finishing last in 1963 they have come up to make Poly proud. They have done a terrific job at all their invitational meets, placing in the top ten every time.

Several school records have been broken this year and many others threatened. Bob Geddes jumped a high 12 feet 6 inches in the pole vault only to have John Goggin top it with a new record of 12 feet 9 inches. Bobby Bonds made a new school record with his running broad jump of 24 feet 5 inches and John Peterson went on to C.I.F. in shot put with a qualifying throw of 51 feet 4⅞ inches. Among the underclassmen who did so well were Monty Felix, Richard Stone, Richard Hall, and Chuck Tobin. These boys should form a strong backbone for next year's varsity track team.

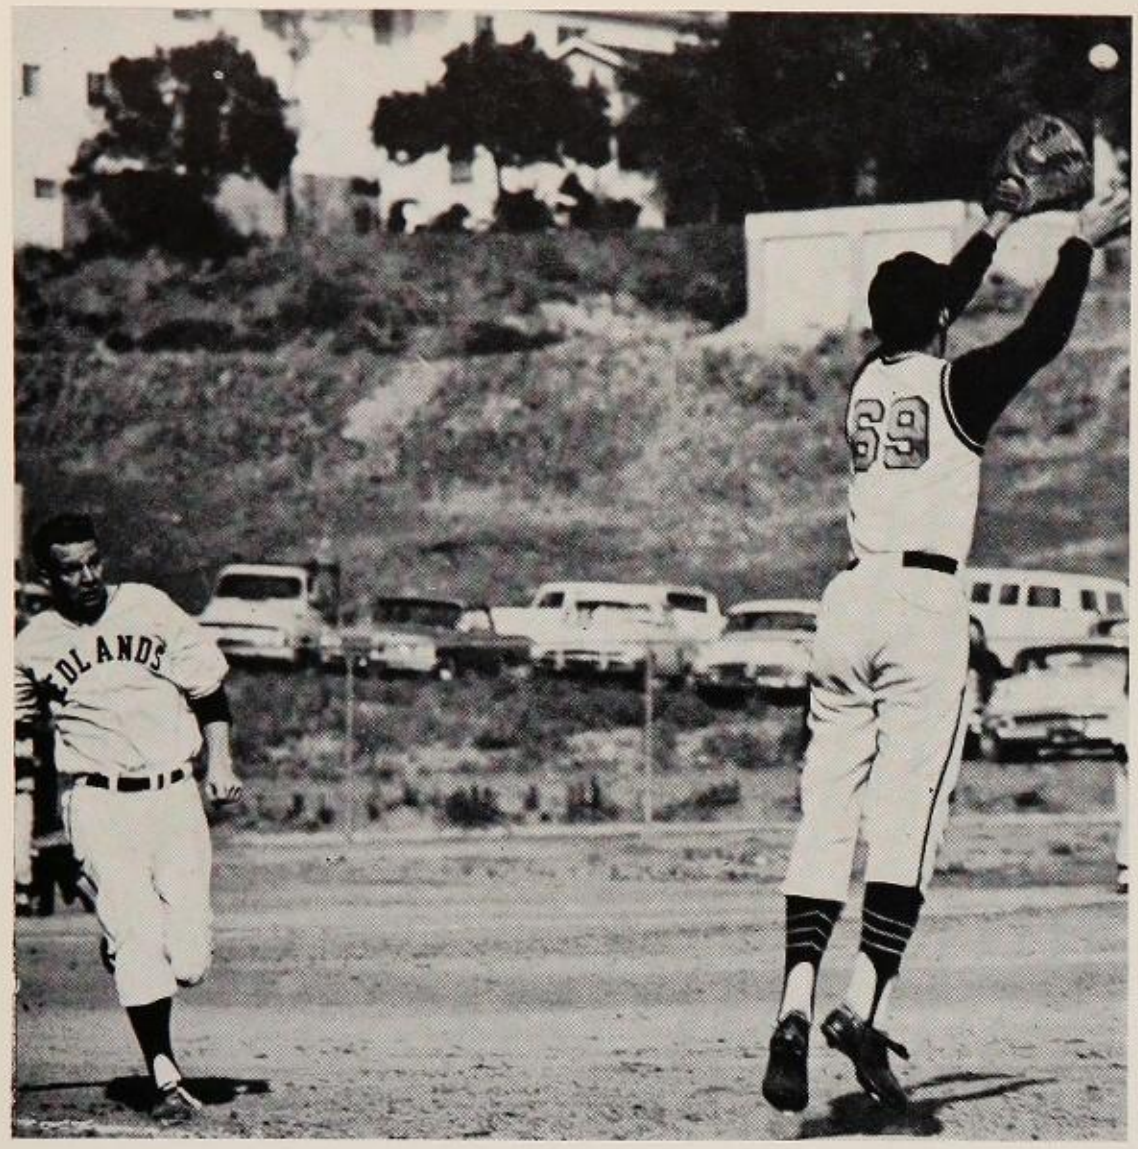
THE STARTING BLOCK

The Greyhounds chase rabbits on the track. Poly trackmen such as James Davis, Charles Blackino, and Sammy Adame chase girls. Look at 'em go!!

Bobby Bonds crosses the finish line to give the seniors a few more points during the interclass track meet.



Showing true team spirit, the Redlands runner begins to cry upon being put out by first baseman Brad Beeson.

Unlike the Dodgers who either start of finish well, but never both, Poly's varsity baseball team put on a fine show all season. The first game against Redlands was a shutout, 8-0. The Bears showed promise in pitching, defense, and fine team spirit. We won our first three but then lost a heart-breaker to San Bernardino by a score of 3-2. However, the Bears made a great comeback to beat Colton 8-1. The defense, pitching, and hitting were again up to par. By the time we had defeated Chaffey, we had the C.B.L. pennant clinched. We had won eleven of our fourteen games.

Rick Bodle led in hits with 17, while Bob Bonds had 9 R.B.I.'s, and sophomore Charlie Van Dusen came through with 11 runs. Outstanding team defense, pitching, and hitting added up to a championship team—a team that will go on to C.I.F.—A 1964 Varsity Poly Baseball Team.

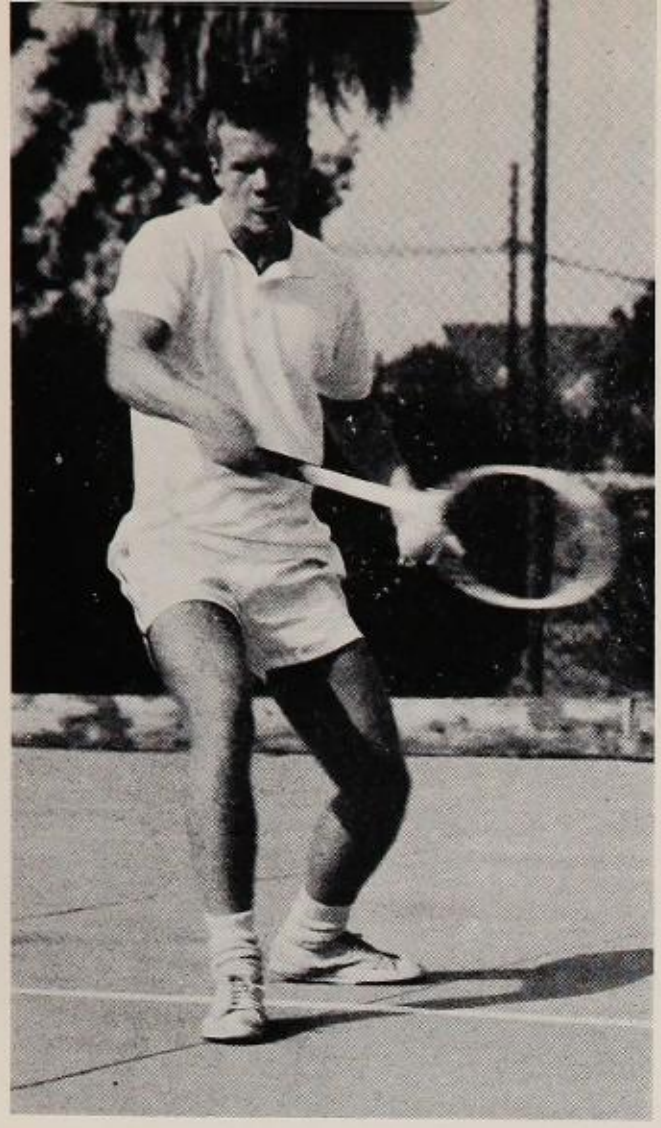
GOLFERS SHOUTED "FORE!"

GOLF TEAM, L. to R.: Mr. Pope (kneeling), B. Dalton, D. Butler, N. West, J. Lee, K. Paradice.

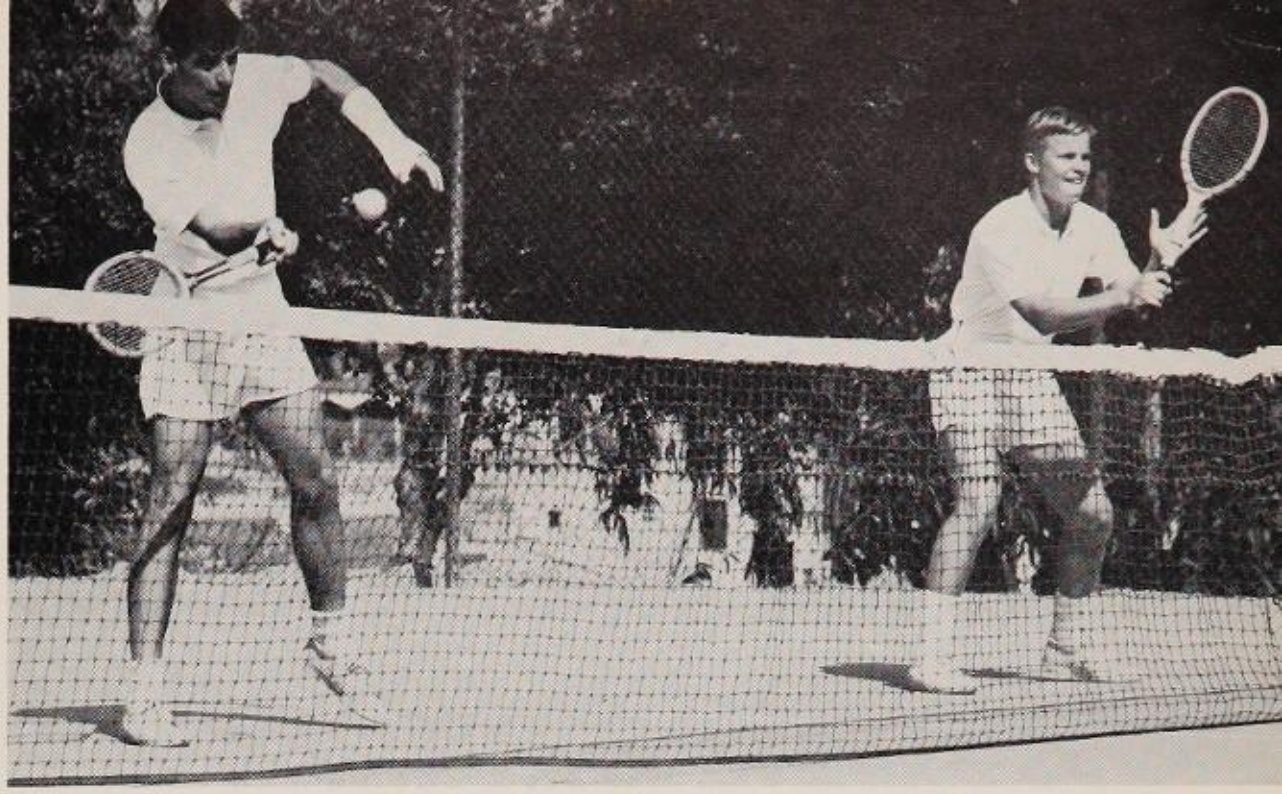
This year's golf team started well and ended well. Their strong desire to win was shown by the number who turned out for all the after-school practices. The team practices and holds the home tournaments at Springbrook Municipal Golf Course. During tournaments each of the five team members plays nine holes, and then the combined score of our members is matched against the combined score of the opponant.

If the team comes in the second place that they anticipate, they will all go on to C.I.F. playoffs. Regardless, Bob Dalton and Richard Butler will go on to C.I.F. individuals, and the two, along with Jeff Lee, have already done a great job in the C.B.L. individuals.

The boys should be very well pleased with the great way that they represented Poly this year, which includes two wins over Ramona.



"You see," explains tennis star Ken Charleton, "by achieving the proper facial expression, one can disable one's opponent in that he is virtually left in a fit of laughter and thus unable to return your ball."



"If we loose this set, Ellowitz, I'll break your other one!" says partner Phil Baldwin to Jon Ellowitz.

GRACE + CO-ORDINATION =

This year's girls sports program has taken a turn for the better. Several new items have been added to the usual activities, many of which can be attributed to Miss Sonia Doshna and Miss Iva Lee Dilts of the P.E. department. They have instigated such things as horse back riding in the afternoon, physical fitness meets, a trip to the archery lanes in Pomona, and co-educational bowling teams. The responsibility of the golf team belongs to Miss Suzanne Elliott who has done a fine job with it as well as with the tennis Team. Regular classes of modern dance and synchronized swimming may be taken under the direction of Miss Carol Ely and Miss Nadine Nixon, respectively. It is our sincere wish that these teachers will continue their effort to promote interest and spirit for girls sports, thus giving each girl an opportunity to excel in the sport of her own choosing.

Maj. Weil, Sgt. Hall, and Sgt. Prokop, display a trophy, just one of the many honors Poly's R.O.T.C. has won over the years.

This year Poly's R.O.T.C. unit has continued to maintain its reputation as one of the outstanding units in the United States. Some of the many activities participated in this year were the Military Ball, Federal Inspection, and the annual trip to Fort Erwin. The trip to Fort Erwin takes place during spring vacation and enables the cadets to spend four days with the army, living the every day life of a soldier. This year over 100 boys from Poly went and were given the opportunity to drive tanks, fire new military weapons, and engage in tactical maneuvers.

Another facet of the R.O.T.C. which should not be overlooked is the Rifle Team which, out of 42 matches this year, lost only one. They are considered to be one of the best teams in the country. No one can say that Poly's R.O.T.C. has ever had a finer year of military achievement and social activities.
